Housing Choice Voucher Program Administrative Plan

Introduction

The Fayette County Housing Authority (FCHA) administers a variety of tenant-based and project-based programs under Section 8 of the 1937 Housing Act. Administration of these programs complies with the U.S. Department of Housing and Urban Development (HUD) regulations for the HCV and PBV Programs, as set forth in title 24 of the Code of Federal Regulations (CFR), Part 982, 983 et al. FCHA complies with all federal, state and local housing laws. Definitions of terms used in this Administrative Plan are found in the last section of this Plan,

Purpose of the Administrative Plan

The Administrative Plan establishes policies for functions and operations that are not governed by Federal regulations for the Housing Choice Voucher Program and other special programs administered by FCHA.

The Administrative Plan, hereinafter referred to as the “Plan”, covers both admission to and continued participation in the programs.

Only FCHA’s Board of Commissioners is authorized to approve changes to the Plan. FCHA is responsible for complying with all subsequent changes in HUD regulations pertaining to the programs administered by FCHA. If such changes conflict with this Plan, HUD regulations take precedence. When circumstances not addressed by provisions in this Plan arise, they will be reviewed on a case-by-case basis and appropriate actions will be taken as warranted. These actions will be documented by the Section 8 Coordinator and/or the Executive Director. If a conflict arises between or among the regulations identified in this Plan, the regulations specifically promulgated for the applicable program will take precedence.

By the adoption of this Administrative Plan, the Board of Commissioners authorizes the FCHA to make HUD-authorized charges (see **24 CFR § 982.155**) against the administrative fee reserve.

FCHA staff shall develop (and revise when needed) operating procedures, systems, forms and methods designed to ensure that the policies set forth in this Administrative Plan are administered correctly, fairly and uniformly by all program staff.

Section I. Special Conditions & Objectives of the HCV Program

A. Objectives of HCV Programs

FCHA’s objective in administering the Housing Voucher programs is to provide decent, safe and sanitary affordable housing to low-income families otherwise unable to obtain adequate housing. The number of families served is limited by the amount of funding available, and the availability of adequate housing at reasonable rents.

The HCV Program provides participating Families with greater choice of housing opportunities by subsidizing rental payments to private Landlords. Through this program, FCHA helps low-income Families obtain quality housing within FCHA’s geographical jurisdiction.

Through program administration, FCHA shall:

1. ensure Housing Quality Standards and any subsequent standards promulgated by HUD are enforced.
2. ensure no more than reasonable rents are paid for all units under contract in the HCV Program.

3. offer all current and future voucher program families counseling and referral assistance on the following priority basis:
 - a. all HCV Families residing in a unit in which payment to the Landlord is abated because of a failed inspection; and
 - b. all other HCV Families.
4. make every effort to assist a substantial percentage of its HCV Families to find units in low-poverty neighborhoods.

Section II. Fair Housing and Equal Opportunity

A. Nondiscrimination and Affirmatively Furthering Fair Housing

FCHA affirmatively furthers Fair Housing and works to remove impediments to Fair Housing in the administration of the program by complying fully with all Federal, State, and local nondiscrimination laws and administers programs in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing and marketing the program to eligible members of protected classes who are “least likely to apply”.

FCHA shall not discriminate against any applicant, participant, or landlord because of race, color, national or ethnic origin or ancestry, religion, sex, age, disability, sexual orientation, gender identity, source of income, marital status or presence of children in a household (protected classes); nor will any criteria be applied, or information be considered pertaining to attributes or behavior that may be imputed by some to a particular group or category. FCHA shall not deny any family the opportunity to apply for housing (when the waiting list is open) or deny any eligible applicant the opportunity to lease a housing unit that meets family needs and program requirements.

B. Applicable Federal Laws and Regulations

Federal laws require FCHAs to treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. The FCHA complies fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

1. Title VI of the Civil Rights Act of 1964
2. Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
3. Executive Order 11063
4. Section 504 of the Rehabilitation Act of 1973
5. The Age Discrimination Act of 1975
6. Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
7. Violence Against Women Reauthorization Act (VAWA) as reauthorized
8. Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity
9. Affirmatively Furthering Fair Housing requirements

When more than one civil rights law applies to a situation, the laws will be read and applied together.

FCHA will honor and comply with any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted so long as such laws or ordinances do not conflict with Federal laws.

C. Equitable Treatment

The FCHA will not use membership in any protected class to:

1. Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the Housing Choice Voucher program
2. Provide housing that is different from that provided to others¹
3. Subject anyone to segregation or disparate treatment
4. Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
5. Treat a person differently in determining eligibility or other requirements for admission
6. Steer an applicant or participant toward or away from a particular area based any of these factors
7. Deny anyone access to the same level of services
8. Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
9. Discriminate in the provision of residential real estate transactions
10. Discriminate against someone because they are related to or associated with a member of a protected class
11. Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class.

D. Providing Information to Families and Owners

1. The FCHA will ensure that families and owners are fully aware of all applicable civil rights laws and regulations. As part of the briefing process, the FCHA will provide information to applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods. **24 CFR 982.301**
2. The Housing Assistance Payment (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, sexual orientation, gender identity, or disability in connection with the contract. Additionally, the contract spells out prohibited treatment of victims protected under the Violence Against Women Act.

E. Discrimination Complaints

1. If an applicant or participant believes that a family member has been discriminated against by FCHA or an owner, the family should advise FCHA's Section 8 Coordinator.

¹ Except when needed to provide person with disabilities special services to achieve equal access to programs.

2. HUD requires FCHA to make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action.

3. In addition, FCHA will provide information to applicants and participants regarding housing discrimination complaints in the family briefing session and program packets. Information includes referrals to the HUD Office of Fair Housing & Equal Opportunity, and low cost legal service provided through Legal Services.
4. All applicable Fair Housing Information and Discrimination Complaint Forms will be made available to applicants and participants, including form HUD-903 or form HUD-903A.

F. Reasonable Accommodations for People with Disabilities

1. FCHA, as a public agency that provides low rent housing to eligible families, has a legal obligation to provide "reasonable accommodations" to applicants and participants if they or any family members have a disability. **24 CFR § 8.4**
2. An applicant or participant with a disability may request information or an accommodation by contacting the Section 8 Coordinator.
3. A reasonable accommodation is a modification or change FCHA can make to its offices, methods or procedures to assist an otherwise eligible applicant or participant with a disability to take full advantage of and use FCHA's programs, including those that are operated by other agencies in FCHA-owned public space. **24 CFR § 8.20**
4. An accommodation is not reasonable if it: **24 CFR § 8.21(b) and 24 CFR § 8.24(a)(2)**
 - a. Causes an undue financial and administrative burden; or
 - b. Represents a fundamental alteration in the nature of FCHA's program.
5. Subject to the undue burdens and fundamental alterations tests, FCHA will correct physical situations in its offices or procedures that create a barrier to equal housing opportunity for all.
6. To permit people with disabilities to take full advantage of the FCHA's housing program and non-housing programs, in accordance with Section 504 and the Fair Housing Amendments Act of 1988, FCHA shall comply with all requirements and prohibitions in applicable law.
7. Specific actions are described in the *Procedures on Civil Rights and Disability Rights* and the *Procedure on Reasonable Accommodations for Applicants and HCV Participants*. **24 CFR § 8.4**
8. Facilities and programs used by applicants and participants shall be accessible to persons in wheelchairs, persons with sensory impairments and other persons with disabilities. Application and administrative offices, hearing rooms, etc. will be usable by residents with a full range of disabilities. **24 CFR § 8.21**
9. Documents and procedures used by applicants and residents will be accessible for those with vision, hearing or other sensory impairments. Also, all documents will be written simply and clearly to enable applicants with learning or cognitive disabilities to understand as much as possible. Methods used to ensure that communication is understandable by persons with disabilities are described in the *Procedure on Civil Rights and Disability Rights*. **24 CFR § 8.6**
10. Examples of reasonable accommodations include, but are not limited to **24 CFR § 8.4**

- making alterations to a FCHA office or administrative facility to make it fully accessible so it could be used by a family member with a wheelchair.
- b. Conducting home visits instead of requiring applicants and participants to come to FCHA offices.
 - c. Using higher payment standards (within the acceptable range, as an exception to the current payment standard up to 120 percent of the HUD Fair Market Rent) if the FCHA determines this is necessary to enable a person with disabilities to obtain a housing unit equivalent to those available to families without disabled members.
 - d. Providing time extensions to locate a unit when needed because of lack of accessible units or special challenges of the family in seeking a unit.
 - e. Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with FCHA staff.
 - f. Displaying posters and other housing information in locations throughout FCHA's office in such a manner as to be easily readable from a wheelchair.
 - g. Permitting a participant to move from an apartment that cannot be made accessible to an apartment that is or can be made accessible, even when most moves are not permitted.
 - h. Widening the door of an FCHA-owned community room or public restroom so a person in a wheelchair may use the facility.
 - i. Intervening with a landlord so that he/she will permit a participant with a disability to make unit modifications as permitted by the Fair Housing Act.
 - j. Making sure that FCHA processes are understandable to applicants and residents with sensory or cognitive impairments, including but not limited to **24 CFR § 8.6**
 - 1) Communicating with applicants and residents with disabilities in the manner that best suits their needs. This means that all applicants with disabilities will be asked about their preferred method of communication and FCHA will NOT simply rely on letters sent to every applicant and participant.
 - 2) Making large type documents, Braille documents, cassettes or a reader available to an applicant or resident with a vision impairment during interviews or meetings with FCHA staff.
 - 3) Making a sign language interpreter available to an applicant with a hearing impairment during interviews or meetings with FCHA staff.
 - 4) Permitting an applicant or resident to be accompanied or represented by a family member, friend or advocate at all meetings and interviews with FCHA if the individual desires such representation.
 - 5) Permitting an outside agency or individual to assist an applicant with a disability to meet the FCHA's applicant screening criteria.
 - k. Unit modifications to PBV units that are owned or controlled by FCHA are covered in the PBV Addendum.
11. An applicant family that has a member with a disability must still be able to meet essential obligations of tenancy. They must be able **24 CFR § 8.3**
- a. to pay rent and other charges (e.g., utility bills) as required by the lease in a timely manner.

- b. to care for and avoid damaging the unit and common areas.
- c. to use facilities and equipment in a reasonable way.
- d. to create no health, or safety hazards, and to report maintenance needs.
- e. not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others.
- f. not to engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
- g. to comply with necessary and reasonable rules and program requirements of HUD and the FCHA.

There is no requirement that members with a disability be able to do these things without assistance. If an applicant or resident family member needs assistance with one of the essential obligations of tenancy, FCHA will, as a reasonable accommodation, make a referral to an individual or agency that can provide such assistance. **24 CFR § 8.20**

- 12. If an applicant or resident receives a referral to an agency or individual who can assist the applicant or resident with complying with the essential obligations of tenancy, the applicant or resident is not obligated to accept the service, but if refusing service results in a lease violation(s), the Landlord may terminate the lease and FCHA may terminate assistance. **24 CFR § 8.2**
- 13. An applicant or resident family with a member who has a disability and needs or wants a reasonable accommodation may request it at any time prior to a specified due date or prior to the termination of assistance. **24 CFR § 8.20**
- 14. If an applicant or resident would prefer not to discuss the situation with the FCHA, that is his/her right.

G. Denial or Termination of Assistance

FCHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation. **24 CFR 982.552 (2)(iv)**

- 1. When applicants with disabilities are denied assistance, the notice of denial must inform them of FCHA's informal review process and their right to request a review. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process. The process for requesting an Informal review is outlined in this document.
- 2. When a participant family's assistance is terminated, the notice of termination must inform them of FCHA's informal hearing process and their right to request a hearing and reasonable accommodation before the effective termination date.
- 3. When reviewing reasonable accommodation requests submitted before termination of assistance, the FCHA must consider whether any verifiable mitigating circumstances explain and overcome the problem that led to FCHA's decision to deny or terminate assistance. If a reasonable accommodation will meet the requirements, FCHA must make the accommodation. FCHA cannot undertake actions that violate HUD regulations. This would, by definition, cause a fundamental alteration in the nature of FCHA's program.

EQUAL HOUSING
OPPORTUNITY

Providing Information in Languages other than English for persons with Limited English Proficiency

1. For persons with Limited English Proficiency (LEP), language can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program.
2. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin.
3. FCHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency or LEP.
4. FCHA's Procedure on Communication with Persons with Limited English Proficiency describes the specific methods FCHA will use to accomplish this policy.
 - a. All forms, written materials and recorded voice-mail messages used to communicate with prospective applicants, applicants and residents shall be available in any language spoken by the lower of 1000 eligible families or five percent of the eligible population of the FCHA's jurisdiction. This includes documents related to intake, marketing, outreach, certification, reexamination and inspections.
 - b. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with FCHA. When an applicant or resident needs interpretation services and a staff member of FCHA speaks the language needed, the staff member will provide translation services.
 - c. In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the FCHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.
 - d. The FCHA will provide written translations of other vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served. Translation of other documents, if needed, can be provided orally.

Section III General Administrative Provisions of Program Operation

- A. Quality Control and Analysis of Data
 1. Under the HCV Management Assessment Program (SEMAP), HUD requires the FCHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. FCHA shall routinely exceed the number and percentage of quality control monitoring actions required by HUD by reviewing every staff member's work to regularly check for completeness, accuracy and compliance with both HUD's program regulations and guidance and this Administrative Plan.
 2. FCHA will use the results reported in any Independent Public Accountant (IPA) or HUD monitoring reports to identify potential program abuses as well as to assess the

effectiveness of the FCHA's error detection and abuse prevention efforts. In addition, FCHA will use this information to design and target training designed to prevent future errors.

3. FCHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the FCHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.
4. FCHA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

B. Privacy Rights of Clients

All adult members of applicant and participant families are required to sign the Federal Privacy Act Statement, HUD form 9886, at admission, in conjunction with the HUD 50058 form, which states the conditions under which HUD will release information. Requests for information must be accompanied by a written Release of Information Request signed by the applicable party in order for FCHA to release any information involving an applicant or participant, unless disclosure is authorized under Federal or State law. FCHA may release information requested by court subpoena.

Client information is confidential. Current and forwarding address information, and family members claimed in the household, will be released to Police Officials upon FCHA obtaining official identification. To the extent permitted by law, owner information regarding program participation is confidential.

FCHA is required to verify information on income, qualification for deductions from income and preferences. Such verifications shall be obtained as described in the *Procedure on Verification of Information*. All applicant and participant files are treated as confidential and handled in accordance with the *Procedure on File Security*. FCHA's verification processes shall fully comply with all HUD requirements.

C. Legal Jurisdiction of the FCHA's Programs

FCHA's area of operation is the area geographically defined as Fayette County, Pennsylvania.

D. Compliance with Federal Rules and Regulations

Issues not addressed in this document related to applicants, participants and owners are governed by the Department of Housing and Urban Development Code of Federal Regulations, and other HUD guidance.

E. Records Retention

Files for past participants leaving no balance owed the program will be maintained for three years. For files of past participants leaving with a balance owed, FCHA will retain documentation of the amount, type and reason for the balance indefinitely until the balance is cleared, whether or not the balance has been written off. It is not necessary to retain the entire file. Litigation voucher participant and applicant files (if any) are retained indefinitely regardless of participation status.

F. Eligible Types of Housing

The following types of rental housing units may be assisted in the Housing Choice Voucher program (unless designated otherwise) depending on the needs of applicants

and participants:

1. Single family detached homes, duplexes, low-rise, garden apartments, condominiums, townhouses, high-rises, and other multi-family rental housing structures.
2. Manufactured homes in which the tenant leases the mobile home and the pad.
3. Manufactured homes in which the tenant owns the mobile home and leases the pad.
4. Congregate or Shared Housing.
5. Single Room Occupancy Facilities.

Hotels, motels, nursing homes, college or school dormitories, other types disallowed by HUD regulations, or a unit occupied by its owner or a person with any interest in the dwelling unit (other than units in the HCV homeownership program, or approved Reasonable Accommodation request), are not eligible types of housing in the HCV program.

G. Continuously Assisted Families

An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance or was receiving assistance in the past 90 days under any 1937 Housing Act program when the family is admitted to the Housing Choice Voucher program. As noted below, families being relocated from public housing qualify as continually assisted. In addition, families assisted under the U.S. Housing Act (including all families occupying units in properties receiving HCV project-based assistance) are considered continually assisted. All such families are treated in the regulations (at **24 CFR § 982.203**) as “special (non-waiting list) admissions”.

When continuously assisted families face loss of housing assistance either because the owner of the property in which they live chooses not to renew a subsidy contract or because the property must be vacated for demolition, conversion to a new use, sale or total rehabilitation, such families may receive vouchers as continuously assisted families (and special non-waiting list admissions).

H. Management Assessment Objectives

FCHA operates its housing assistance program with efficiency and uses resources in a manner that reflects commitment to quality and service. FCHA's policies and practices are consistent with the goals and objectives of the following HUD SEMAP indicators and any other such indicators as HUD's regulations are amended.

1. Selection from the Waiting List
2. Rent Reasonableness
3. Determination of Adjusted Income
4. Utility Allowance Schedule
5. HQS Quality Control Inspections
6. HQS Enforcement
7. Expanding Housing Opportunities
8. FMR/Exception Rent & Payment Standards
9. Annual Re-certifications

10. FCHA Tenant Rent Calculations

11. Pre-Contract HQS Inspections
12. Annual HQS Inspections
13. Lease-up
14. Family Self-Sufficiency Enrollment and Escrow
15. De-concentration Bonus Indicator

In order to demonstrate compliance with HUD and other pertinent regulations, FCHA will maintain records, reports and other documentation for a time that is in accordance with HUD requirements and in a manner that will allow an auditor, housing professional or other interested party to monitor FCHA's operational procedures and practices objectively and accurately.

In addition to the SEMAP factors above, to ensure quality control, supervisory staff performs random audits of all Housing Choice Voucher actions and the work of all staff members.

I. Outreach to Eligible Families, Affirmative Marketing

As required by HUD Fair Housing regulations, to reach families from all backgrounds, FCHA advertises through a wide variety of sources including daily and weekly local newspapers, minority media, service agencies, and broadcast media. An effort will be made to notify elected officials, government agencies, and organizations that specifically address the needs of individuals with disabilities and any other members of protected classes who may be proportionally underserved by the Program. FCHA will continuously monitor and evaluate outreach activities to ensure that the widest possible audience is reached.

Owner Outreach

1. Outreach to property owners is conducted on an ongoing basis to develop interest in the program and to increase the number of units available in low-poverty areas. On a continuing basis, FCHA welcomes the participation of owners of decent, safe, and sanitary housing units.
2. FCHA continually makes personal contact with private property owners, property managers, and real estate agencies. Program requirements are explained, and printed material is offered to acquaint the owner with opportunities available through the program. FCHA maintains a list of interested property owners and units available for the program, and prospective owners are sent an information packet. Upon receipt of an owner listing, the unit information is recorded in a list and made available to all applicants and participants.
3. FCHA will make an effort to contact and encourage local property owners with units specially designed or adapted for persons with mobility impairments and other disabilities and those who may be willing to adapt units to participate in the program. Whenever a property owner makes a unit available for the program, FCHA will inquire as to whether the unit is accessible and the extent of the accessibility.

J. Owner Outreach in Low Poverty Areas

FCHA encourages program participation by owners of units located outside areas of poverty or minority concentration. FCHA periodically evaluates the demographic distribution of assisted families as it relates to HUD and Census data to identify areas

within the jurisdiction where owner outreach should be targeted. The purpose of these activities is to provide better housing opportunities to families. Voucher holders are informed of the full range of areas where they may lease units inside FCHA's jurisdiction and are given a list of owners who are willing to lease units outside areas of poverty or minority concentration.

FCHA provides the following to Housing Choice Voucher holders:

1. Information on general locations and characteristics of neighborhoods including shopping centers, rail lines, bus lines, etc.
2. A listing of available rental property. The list is updated weekly and states: address, amenities, deposit information, etc. as provided by owners.
3. A description of portability provisions available in the Housing Choice Voucher program.
4. A map that identifies areas of low poverty and minority concentrations within County.

K. The Project-based Assistance Program

FCHA reserves the right to implement and modify as needed a Project Based Assistance program, utilizing up to the HUD-approved number/percentage of FCHA project based vouchers. For detailed information regarding the Project Based Assistance Voucher Program, please see the *Procedure on Project Based Programs*.

L. Targeted Assistance Program

From time to time the FCHA may elect to enter into a contract with an organization or agency that provides assistance to a specific group of eligible individuals or families. When this occurs, the FCHA will set-aside a specific number and type of vouchers (either HCV or PBV) for these individuals/families. These contracts will be authorized by resolution of the Board of Commissioners in a properly noticed public meeting.

Section IV. Qualification for Admission to the Voucher Program

Applicants must meet basic eligibility requirements listed below at the time of selection from the Waiting List; otherwise, the Applicant shall be determined ineligible and removed from the list. Applicants determined ineligible shall be entitled to an informal review of their file if they request such review as described in this Administrative Plan.

A. Eligibility Criteria

1. Income Eligibility:

- e) **Citizenship or Eligible Immigration Status:** FCHA shall provide housing assistance to United States citizens and eligible non-citizens. A household with at least one ineligible member is considered a "Mixed Family". One or more Family members must be a documented U.S. citizens or eligible non-citizens. The subsidy standard shall be based on the actual household member(s) and the housing assistance payment (HAP) will be prorated to assist only the eligible members of the Family, meaning a "mixed family" will be required to pay a higher rent.
- f) Families must provide the following documents for each member as evidence of citizenship or eligible immigration status:

- a. United States Citizens

- 1) A written and signed Declaration for each Family member²;
 - 2) A United States passport; or
 - 3) Birth Certificate, Baptismal Certificate, Military ID or Certificate of Naturalization and/or other approved documentation.

- b. Non-Citizen³

- 1) A written and signed Declaration for each Family member.
 - 2) A signed Verification Consent Form; and
 - 3) One of the original U.S. Immigration and Naturalization Service's documents listed on the Declaration.

FCHA shall provide assistance to independent Full-Time College Students of legal age or an emancipated minor under state law that meet the following criteria as stated in **PIH Notice 2005-16**:

- a. Each college student within a household must provide a written/signed certification that the student does or does not anticipate receiving financial support from the student's parent(s) or guardian(s) and the amount of support.

² The HUD 214 form.

³ See 24 CFR Part 5.500

- c. The college student must not be claimed as a dependent by parent(s) or legal guardian(s) on their Internal Revenue Services (IRS) tax return; and
- d. The college student must be income eligible.
- e. If the voucher is to be used in a property with Low Income Housing Tax Credit Financing, the household cannot have a full-time student head unless the student:
 - 1)Is over age 24
 - 2)Is a military veteran
 - 3)Has a child or children

B. Criminal History Check

FCHA shall conduct a criminal background check for every member of the Applicant's Family age 18 and over prior to admission and at each annual recertification. As required by Federal law, FCHA shall screen to ensure that no member of the Family has engaged in recent violent criminal activity that threatened the safety of the public or in drug related criminal activity.

FCHA shall not approve admission of Applicants with criminal backgrounds whose presence may compromise the health, safety, welfare and/or peaceful enjoyment of the housing by other residents.

To avoid admitting such Applicants, FCHA shall examine the activity of all adult members of the Applicant's Family for a period of three years prior to the date of the admission into the program. FCHA shall take reasonable steps to ensure that neither the Applicant nor any member of the Applicant's family who will be included on the lease:

- 1. is currently using illegal drugs or has a history of engaging in the illegal use of controlled substances in the past 3 years. This requirement may be waived if the Applicant demonstrates to FCHA's satisfaction that he or she no longer engages in the illegal use of the controlled substance(s). This waiver is not available to individuals engaged in selling, producing or manufacturing illegal substances.
- 2. has a history of criminal activity involving crimes of violence to persons or property and/or other criminal acts that would adversely affect the health, safety or welfare of other residents or FCHA personnel in the past 3 years.
- 3. has a history of incarceration, parole or probation for drug related crimes, violent crimes or crimes that threaten the health, safety and/or general well-being of the community in the past 5 years.
- 4. FCHA may waive the criminal history requirement for Applicants participating in special programs targeting special needs populations such as homeless persons who were formerly incarcerated, other homeless persons and families, veterans⁴ and/or disabled persons if the efficacy of such programs is demonstrable.

⁴ HUD's VASH program permits only very limited criminal history screening.

Additional HUD Eligibility Criteria

FCHA shall use the following standards to deny admission and/or terminate assistance to applicants and participants in the HCV Program.

1. Drug Related Eviction: FCHA shall review residential history to determine if the Family has lived in federally assisted housing and deny admission if any Family member was evicted from a federally assisted housing unit for drug related or violent criminal activities within five (5) years of the application date. An exception may be made if the member responsible for the eviction is no longer a member of the household due to long-term imprisonment or death.
2. Illegal Drug Use: FCHA shall deny admission to any Family if there is a reason to believe that a Family member uses or sells illegal drugs or is engaged in drug-related criminal activity; or that a Family member's use or pattern of use of illegal drugs will threaten the health, safety, or right to peaceful enjoyment of the premises by other residents. This requirement may be waived if the Family demonstrates to FCHA's satisfaction that he or she no longer engages in the illegal use of the controlled substance(s). This waiver is not available to individuals engaged in selling, producing or manufacturing illegal substances.
3. Conviction for Methamphetamine Production: FCHA shall permanently deny admission to Families if an adult member has been convicted for the manufacture of Methamphetamine (also known as speed) in Federally assisted housing.
4. Sex Offenders: FCHA shall permanently deny admission if any member is subject to a lifetime registration requirement as a sex offender. FCHA will use the services of state and private agencies to check national registers to ensure that such sex offenders are not admitted to the program.
5. Alcohol Abuse: FCHA shall deny admission if there is reason to believe that any Family member has a pattern of abusing alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents. This requirement may be waived if the Family demonstrates to FCHA's satisfaction that he or she no longer abuses or misuses alcohol and:
 - a. has successfully completed a supervised alcohol rehabilitation program licensed and approved by the Commission on Alcohol and Drug Abuse or other State program if Applicant is from another State; or
 - b. is participating in a supervised alcohol rehabilitation program.

Note that this standard does not prohibit the use of alcohol (a legal drug). Rather it forbids the admission of persons who engage in behavior that threatens others when they use alcohol. The issue is the behavior, not the alcohol.

6. Violent Criminal Activity: FCHA shall deny admission to any Family if there is reason to believe that a Family member engaged in any of the following acts:
 - a. Crimes involving physical force, such as forcible rape, murder, robbery, assault and battery through use of a weapon; aggravated assault, domestic violence (as the individual who committed the violence, not the victim) or
 - b. Any activity involving the use of weapons against persons or property.
7. Crimes That Threaten the Peace, Health and Safety of Others: FCHA shall deny admission to any Family if there is reason to believe that a member of the Family

has recently engaged in any activity that threatens the peace, health and safety of others.

D. Other Admission Requirements - Debts Owed to FCHA

1. Applicants to the HCV program must be free of any debts to FCHA or any other housing authority before being admitted to the program
2. Families participating in FCHA rental assistance programs may not be indebted to FCHA or another housing authority as a result of unreported income, overpaid assistance, utility reimbursement over-subsidy, vacancy loss, damages, and/or unpaid rental claims. FCHA will process an applicant who owes money to any FCHA for admission but will not issue a voucher until all such debts are paid in full. Such applicants will have up to three months pending at the top of the waiting list to pay back any FCHA debts, after which they will be denied assistance.

E. Public Housing and Former Program Participants

Applicants moving from any public housing development shall be screened using the same procedures as Applicants from the Waiting List. Additionally, the record of former HCV participants will be researched for possible program violations. The following violations are grounds for denial of admission:

1. While participating in the HCV Program, the Family violated any Family Obligation, as set forth in **24 CFR 982.551** as amended. An exception may be granted if the Family member who violated the Family Obligation is not a current member of the household.
2. No Family member may have committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program.
3. The Family must have paid any outstanding debt owed FCHA or another housing authority as a result of prior participation in any federal housing program.
4. Families entering the HCV Program from conventional housing programs must be in good standing under the terms of their lease. The rent and other payments due under the lease must be current, and there must be no evidence of lease violations that would constitute grounds for termination.
5. Families assessed a debt to FCHA prior to HCV HAP being executed on their behalf will be required to pay the FCHA debt in full. Families unable to repay a debt in full should refer to the HCV Program Integrity and Ethics policy.
6. No Family member may have been evicted from assisted housing for non-payment of rent during the past 60 months.
7. No Family member may have engaged in or threatened abusive or violent behavior toward FCHA personnel.

Section V. Admissions Process

A. When Applications are Accepted

Applications for the HCV Program are accepted continuously

FCHA may accept applications in person for persons with disabilities, and for all other applicants by mail or on-line using smart phones or computers. The specific method of applying will be described in the Notice of Opening the Waiting List.

B. How the Waiting List is Organized

FCHA will use a lottery system to place families on the HCV Waiting List. Since FCHA opts to receive applications on-line, by mail or by telephone, a lottery system will be used.

When using the lottery system, FCHA shall post the time and date of lottery selection and the number of applicants that will be selected by the lottery. Applicants placed on the HCV Waiting List using a lottery system will be randomly assigned a number and the application will be placed on the HCV Waiting List in order of the assigned numbers and according to FCHA Preference(s). Applicants that are selected shall be informed in writing of their selection and placement on the HCV Waiting List. Applicants that are not selected by the lottery will be notified by a letter or post card that they have not been selected. These applicants will not be placed on the Waiting List and will have to reapply when the Waiting List is re-opened.

Project-based voucher properties will have separate waiting lists, maintained by FCHA. Individuals on the HCV waiting lists will have an opportunity to apply for admission to Project-based voucher properties when their waiting lists are open. FCHA has the right to close the HCV list or any project-based list when the list contains twice as many applicants as are likely to be housed in the coming 18 months. FCHA also has the right to partially close a PBV list when certain BR sizes have sufficient applicants, but others do not.

While individuals/families may apply for any project-based lists that are open, when they accept an offer at any such property, they will be withdrawn from HCV and other PBV lists.

C. The Application

The application constitutes the basic record of Applicants applying for admission; therefore, applicants must supply complete and true information. The application and all other materials relating to the Applicant's eligibility will be placed and retained in the Applicant's file.

D. Completion of Applications

1. Applications for the Housing Choice Voucher Program may be taken electronically, by telephone, by mail, or at designated FCHA facilities. The application constitutes the basic record of Applicants applying for admission; therefore, FCHA shall only accept complete applications. The application, together with all other materials relating to the Applicants' eligibility, shall be placed in the Applicants' file.
2. Applicants who need assistance in completing their applications or who need an alternative method of communication because of disabilities will be furnished with such assistance or alternative communication method upon request.

F. Continuously Assisted Families/ "Special Admissions"

Certain families are issued vouchers or project-based voucher units, outside the context of the waiting list. These families:

1. are being relocated from public housing properties that are being demolished, undergoing substantial capital improvements, modernization, or rehabilitation, RAD

conversion, or change in use, or who are being relocated because a unit that is the right size for their family is unavailable; or

2. have lost assisted housing or are about to lose assisted housing because a private owner receiving project-based assistance opts out of, chooses not to renew the HAP contract or fails quality inspections, requiring that their HAP contract be cancelled; or

A family qualifies for one of these vouchers when they receive notice that they will have to move for one of the reasons cited above. Eligible families will be issued vouchers in an order based on date on which they receive notice to move.

Generally, FCHA will receive replacement housing vouchers to assist these families, but if the process of obtaining these vouchers is delayed, the families will be issued vouchers to prevent their becoming homeless.

G. Administration of the Waiting List

1. Organization of the Waiting List

At a minimum, the HCV Waiting List will include the following information:

- a. The Applicants' name, address, phone number.
- b. The names, relationship to head, sex and age of family members and household members (e.g., live-in aides or foster children) who will live in the assisted unit.
- c. The number of bedrooms for which the Family initially qualifies in accordance with FCHA subsidy standards.
- d. the date of lottery pull.
- e. Qualification for any local preferences, if applicable; and
- f. Racial and ethnic designation of the Head of Household.

2. Suspension of Applications

When the number of eligible Applicants on the Housing Choice Voucher Waiting List is such that there is no reasonable prospect of housing additional Applicants within 18 months, the Executive Director may suspend the taking of further applications. Such suspension will be announced publicly. FCHA may also close the Waiting List for administrative purposes. During such periods, FCHA may continue to accept applications from Applicants qualifying for targeted funding for specific programs.

3. Updating Waiting Lists

At least every 18 months, FCHA will contact every applicant on the HCV list and every PBV list in writing to determine whether they are still interested in receiving a voucher or an offer of a PBV unit and whether there have been any changes in the family's income, composition or eligibility for preferences. The family is obligated to respond, either in writing or by email (NOT by phone) to affirm that they are still interested in remaining on the list(s) to receive a voucher or an offer of a PBV unit.

Families who fail to respond to the Waiting List update letter will be removed from all waiting lists. In this circumstance, applicants are NOT entitled to an informal review.

H. Selection from the Waiting List: The HCV Program

Applicants added to the HCV Waiting list will be selected in the following order.

1. Applicants applying for or qualifying for a specific category of special use vouchers (e.g., Veterans Administration Supportive Housing [VASH] or Mainstream) may be selected ahead of higher placed Applicants on the HCV Waiting List that do not qualify for the targeting funding.

2. Only applicants referred by a contracted Target Program Agency will receive vouchers set aside under that program.

3. Local Preferences:

FCHA has hierarchic local preferences:

1. Veteran's preference: Awarded to a family whose head, spouse or co-head is a veteran of the U.S. military with an honorable discharge or the family of the surviving spouse or co-head of such a veteran; and

2. Residency preference: Awarded to applicants who, at the time of application, lived in the FCHA's jurisdiction, worked in the FCHA's jurisdiction, or were hired to work in the FCHA's jurisdiction.

3. FCHA relocatees: Awarded to FCHA public housing residents who must move due to the modernization, demolition or disposition of their public housing community; and

4. VAWA preference: Awarded to a family with a head or other family member who has been verified to be a victim of domestic violence, dating violence, sexual assault or stalking as defined herein; and

5. Confidential informants and Witnesses to Crimes: Public housing residents and applicants who assist the FCHA Police Department either as confidential informants or as witnesses to crimes will receive vouchers when they complete their crime reduction activities.

The final determination of eligibility is made when Applicants are selected from the HCV Waiting List, and the Applicant's income, preferences and family composition are verified.

1. Documentation to Determine Eligibility: All adult members of Applicant families are required to sign HUD's Form 9886, Authorization to Release Information Privacy Act Notice and disclose the social security number and card or other SSA-provided documentation of social security number for each Family member. The parent or guardian of a child or disabled adult must sign the HUD 214 certification for each person.

If a Family member does not have the original Social Security card issued by the Social Security Administration, FCHA will accept photo identification and verification of the number from the Social Security Office or any document from the Social Security Administration that contains both the individual's name and his/her social security number.

I. Income Targeting Requirement

In accordance with Income Targeting requirements established by HUD, seventy-five percent (75%) of the new waiting list admissions to the HCV Program each year must

have incomes at or below thirty percent (30%) of the area median income (extremely low income applicants).

These applicants will be selected before other eligible applicants on an as-needed basis to ensure the income targeting requirement is met.

It is not anticipated that it will be necessary to skip higher income families on the waiting list to achieve federally mandated income targeting requirements because the majority of families on the waiting list are extremely low income families.

Non-waiting list admissions are not subject to income targeting requirements. This would include continuously assisted families displaced from public housing, families issued vouchers because of project-based program REAC failures or owner opt-outs, etc.

J. Determination of Ineligibility and Informal Hearings

1. Review for Determination of Ineligibility: FCHA shall notify all Applicants found ineligible for assistance that they have been denied assistance. Applicants shall be notified in writing of the reason(s) for the determination and the right to request an Informal Hearing on the determination. Upon request, Applicants will be allowed to review a copy of relevant documentation regarding the determination.
 - a. Applicants who wish to contest a denial of assistance shall have the opportunity to submit information and evidence to the Section 8 Coordinator and/or his/her designee for an Informal Hearing of the denial determination.
 - b. The request for an Informal Hearing must be made in writing⁵ within ten calendar days from the date of the written denial of assistance. An Applicant that fails to request the Informal Hearing within ten calendar days will be ineligible for a review and the denial shall stand. The Informal Hearing shall be scheduled within thirty calendar days of the Applicant's request.
 - c. The Section 8 Coordinator or his/her designee shall conduct the informal Hearing by examining the file, and any additional information presented by the Applicant for consideration at or before the hearing.
 - d. The outcome of the Informal Hearing shall be recorded in the Applicant's file. If it is determined that the Applicant is eligible, the Family's name will be placed on the HCV Waiting List without loss of position during the period of ineligibility, or issued a voucher, whichever is appropriate. The Section 8 Coordinator will notify the Applicant of the outcome, in writing, within fourteen (14) calendar days after the Applicant's review.
2. Reviews for Applicants after the Issuance of a Voucher: The Section 8 Coordinator or his/her designee will review matters presented by Applicants who have been issued vouchers when no HAP has yet been paid on their behalf.
3. Matters Not Subject to Informal Review by Applicants: FCHA shall not grant file reviews for matters related to:
 - a. FCHA's discretionary administrative determinations or to consider general policy issues or class grievances.
 - b. FCHA's determination of Family's unit size under FCHA subsidy standards.

⁵ Or other form of communication needed by an applicant with a disability.

- c. FCHA's determination not to approve leasing a unit under the HCV Program or approve a proposed lease.
- d. FCHA's determinations that unit selected does not comply with HQS.
- e. FCHA's determination that a unit selected is not in accordance with HQS because of the size of the Family.
- f. FCHA's refusal to extend Families' voucher past the maximum time allowed under FCHA policy.
- g. FCHA's determination of rent reasonableness.
- h. FCHA's schedule of utility allowances; and
- i. FCHA's decision not to approve a unit or tenancy.

FCHA is not bound by any decision that is in conflict with HUD regulations or FCHA policy. The Executive Director or his/her designee may review all decisions to ensure compliance with HUD regulations and FCHA policy.

If FCHA determines that it is not bound by a review decision, FCHA shall promptly notify the participant of the determination, and the reasons for the determination.

K. Briefing and Issuance of Vouchers

FCHA briefs all Families entering the HCV Program for the first time. Current participants who are relocating and families porting into County (HCV participants that transfer from another housing authority) will be issued a Briefing packet but will not be required to attend a briefing.

1. Conducting a Briefing: Briefing attendance is mandatory. Most applicants will be able to view the electronic briefing posted on FCHA's website. In addition to the video briefing, FCHA will hold one in-person briefing each month. Applicants will be notified of the time and location for the in-person briefing on the FCHA website.

FCHA may conduct individual briefings as a reasonable accommodation if needed by persons with disabilities.

Briefings may be conducted in the evenings and on weekends to accommodate applicants who work.

In limited circumstances, FCHA may notify applicants via telephone of the required briefings. In such circumstance, the file will be documented to indicate when the oral notification was made, the person who made the oral notification, the number contacted, the person contacted, and the reason for the oral notification. Applicants who were not reachable when oral notification was attempted will not be withdrawn from the wait list.

FCHA may hold a combined briefing and voucher issuance session.

2. Briefing Information: In addition to the HUD-required information provided during the briefings, FCHA strongly encourages HCV Families to seek housing in non-poverty areas by providing:
 - a. information or access to the addresses of units available to HCV Families, as well as the Landlords' name, and telephone numbers.
 - b. information on individual units available for lease.
 - c. individual counseling and information about public transportation to view units.

- d. information on neighborhood amenities, including information on crime, schools, day care, health care and public transportation; and
- e. counseling to Families on program matters, and in instances of alleged program discrimination.

L. Promoting Housing Opportunities

FCHA seeks to increase the participation of Landlords with units located outside of areas with a high concentration of low-income Families. To accomplish this goal, FCHA conducts outreach to Landlords with properties in low-poverty areas and encourages them to accept voucher holders. The local media, professional real estate organizations, Apartment Listing Network and the Cole Indices are used as resources to increase the interest of private Landlords within FCHA jurisdiction.

As part of this outreach effort, FCHA prepares and distributes information packets, brochures, leaflets, and handouts outlining the benefits of the HCV Program. FCHA provides Landlords and realtors with information regarding HUD regulations, HCV Program guidelines, fair housing, Housing Quality Standards, and other Landlord related issues. In addition, FCHA conducts Landlord workshops, corporate briefings, property visits, and initiates telephone contact with Landlords owning housing units in low-poverty areas.

FCHA is located in a metropolitan statistical area that has Small Area Fair Market Rents. FCHA has developed tiers of Payment Standards that are designed to help families move to the better neighborhoods in its jurisdiction.

A low poverty census tract is defined as a census tract where the poverty rate is at or below the overall poverty rate for County (outside the city of Pittsburgh). FCHA uses the most recent decennial Census data to determine the poverty rate and provides a listing of the eligible census tract areas to landlords and to clients in the briefing packets and in vacancy listings.

M. The Term of Vouchers

HCV vouchers expire 120 days from the date of issuance. FCHA may extend the voucher term so long as the regional rental market is tight. When rental markets are loose, FCHA may only extend the voucher term as a reasonable accommodation to persons with disabilities or when leasing opportunities are limited by market conditions.

Applicants/participants in the Veterans Assisted Supportive Housing (VASH) and actively searching for housing will be given one hundred twenty (120) days to find suitable housing.

Families shall be considered successful in their housing search should they submit a Request for Tenancy Approval (RFTA) prior to the expiration date on the HCV Voucher. The Family may submit only one RFTA at a time. Once the documents are accepted, FCHA shall suspend (i.e., toll) the term of the Family's voucher. Should the Family be required to resume their search for housing (e.g., because the unit selected fails inspection or the property owner does not agree to a reasonable rent), the Family shall be allowed to resume their search for housing using the remainder of the time left on the voucher.

The voucher shall be withdrawn if the Family fails to lease suitable housing during the term of the voucher. Expiration or withdrawal of a voucher does not preclude the Family from completing a new application for the HCV Waiting List, when the waiting list is open.

Section VI. Payment and Subsidy Standards

FCHA shall determine the Family's unit size and Family contribution of housing cost in accordance with HUD regulations, using the verification hierarchy outlined in HUD's regulations and verification guidance.

A. Payment Standards

1. FCHA will establish program Payment Standards by balancing the competing needs of setting Payment Standards as low as possible to assist as the highest number of Families within available funding, while still setting the Standards high enough to ensure that Families can find and lease housing in non-impacted neighborhoods. The range of possible Payment Standards is between 110 percent and 90 percent of HUD's Fair Market Rent standard.
2. FCHA may adopt higher Payment Standards in "opportunity" zip codes – that is, zip codes with lower poverty rates, lower rates of assisted housing, better schools, more job opportunities, and better community services.
3. FCHA will monitor the effect of the Payment Standard it sets by tracking the percentage of families who lease housing within the time limit established for their voucher (the "success rate") and the locations where families actually lease. If the success rate decreases or the pattern of leasing shows families leasing fewer units in non-impacted neighborhoods, staff will recommend an increase in the Payment Standard to the Board of Commissioners.
4. The Payment Standard for Housing Choice Vouchers shall be determined annually following the publication of the final Fair Market Rent (FMR) by HUD and shall be made effective as soon as possible after HUD issues FMRs.
5. The Executive Director shall determine the payment standard with the following criteria and/or objectives:
 - a. FCHA shall consider the amount received from HUD in its Annual Contributions Contract.
 - b. FCHA shall avoid concentration of HCV Families in high poverty areas.
 - c. FCHA shall seek to provide housing opportunities in all areas of its jurisdiction with particular emphasis on non-poverty areas; andFCHA shall analyze its rental market quarterly to ensure these objectives are met. FCHA will ensure that the applicable payment standards are distributed to pertinent staff.

B. Family Subsidy Standard at Admission

1. FCHA shall exercise prudence in the determination and administration of housing Subsidy Standards. Maximum Subsidy Standards for an eligible Family is determined based upon the members included on the application. All adult members must appear in person with photo identification.
2. Adult members that are not identified at the time of the application will not be considered as members of the assisted household and will not be added to the application unless they were minors at the time of application who have become adults while on the waiting list. Children added by birth, adoption, or court awarded custody between the time of application and admission will be added to the household when verification of the birth,

option or court awarded custody to a family member listed on the application is provided to FCHA.

3. All individuals added to the household are subject to HUD's eligibility and FCHA's suitability standards. FCHA will not approve the addition of adults to a client family if the addition will increase the voucher size for which the family qualifies or if the adults do not pass the criminal history screening.
4. The Section 8 Coordinator, or his/her designee, shall review requests for additions to the household that are not described in the paragraph above to ensure additions are within FCHA's policy. FCHA will provide the Head of Household with written notification of the determination within fourteen (14) calendar days of the Family's request. Families denied the opportunity to add an individual to their household will be provided with the reason for denial.
5. Requests to add an additional adult to the family as a reasonable accommodation to a person with a disability may be approved with acceptable verification from the applicant's qualified medical practitioner.

C. Live-in Aides

1. FCHA's decision about whether or not to permit the addition of a Live-in Aide to a voucher household shall be based upon verification that:
 - a. The person to be assisted by the live-in aide qualifies as an Individual with a disability as defined at **24 CFR part 8.3**; and
 - b. The disabled individual's qualified medical practitioner verifies that the live-in aide is needed because of the disability; and
 - c. That the person proposed as the Live-in Aide possesses the skills and ability needed to provide the services needed by the person with a disability as verified by the qualified medical practitioner.
 - d. The Live-in Aide passes a criminal history screening and owes no money to any FCHA.
 - e. The qualified medical practitioner will confirm whether or not it is permissible for the Live-in Aide to be employed outside the unit.
 - f. Housing Authority shall notify the Family of the decision to approve or deny the Live-in Aide in writing within fourteen (14) business days from the date all required documentation is provided
2. The Family and Live-in Aide will be required to submit a certification that the Live-in Aide is (1) not obligated to support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.
3. Under this HUD definition, a person already residing in the unit (such as a spouse, boyfriend or girlfriend) cannot be a live-in aide (since they are living in the unit anyway).
4. A live-in aide cannot have another place to live since he/she is verified to be necessary to provide care on a live-in basis and is supposed to live in the unit. A live-in aide may have a job outside the assisted unit if the disabled individual's qualified medical practitioner certifies that the outside employment will not affect the care and services to be provided to the person assisted.
5. Live-in Aides are required to attend the annual recertification appointments with the Head of Household and FCHA must determine annually the eligibility of the household for a Live in Aide.

Although family members may be qualified to perform the services needed by the individual with disabilities, a live-in aide will not be considered as a family member on the voucher, his/her income will not be counted for eligibility or rent purposes, and the live-in aide cannot receive the voucher as a “remaining member of a tenant/client family.”

7. The Live-In Aide must meet FCHA's screening criteria. Further, the live-in aide must not currently owe rent or other amounts to FCHA or any other housing authority in connection with any HCV or Public Housing programs.

D. Family Subsidy Standard during participation

1. FCHA will permit the addition of minors who are born to or adopted by a family member listed on the lease and voucher, or when a court awards custody or other approved certified custody/guardianship documents to a family member listed on the lease and voucher although such additions to the family must be reported within 10 calendar days of occurrence.
2. FCHA will not permit the addition of adult family members to the family unless such addition will not increase the voucher size for which the family qualifies, the adult proposed passes the criminal history check, and the family's landlord approves the addition.
3. FCHA shall review the composition of the household at each annual recertification. If the addition of a family member results in overcrowding (more than two persons per living/sleeping room) FCHA will notify the Head of Household of the need to move and issue the Family another Housing Choice Voucher at the termination of the family's lease.
4. The standards applicable to adding a Live-in Aide to the household (who is, by definition a household member but not a family member) during the family's participation are the same as those listed under “Family Subsidy Standards at Admission”

E. Occupancy Standards

Voucher size (Number of bedrooms in the assisted unit) is one factor in determining the family's level of assistance. The size of a voucher will be based upon the family/household composition. In compliance with the Fair Housing Act, other fair housing laws, and HUD regulations (**24 CFR 982.401** and **24 CFR 982.402**) and in an effort to administer federal funds responsibly, FCHA takes a conservative approach in determining the appropriate size of the voucher. To that extent, FCHA will utilize an occupancy standard of two (2) persons per bedroom, pursuant to the HUD guidelines concerning the Determination of Unit Size Requirements:

1. At least one person must occupy each bedroom.
2. A maximum of two (2) persons may occupy a bedroom or living/sleeping room,
3. A one-person family will be issued a one-bedroom voucher.
4. A child **will not be required to** share a bedroom with any other family member **other than a sibling of the same gender with not more than an 8 year age gap.**
5. Children will be expected to share a bedroom with other children of the same gender who is not more than 5 years older or younger.
6. Children will not be expected to share a bedroom with children of the opposite gender.
7. Adults (age 18 or older) are expected to share a bedroom with anyone with whom they are living in a spousal relationship.

When children turn 18, they will not be assigned a private bedroom if the family includes another sibling of the same gender with whom they were sharing a bedroom prior to turning 18.

9. A child (under 18 years of age) who is temporarily away from the home because of placement in foster care, or an adult member over age 18 who is a full-time student temporarily away at college is considered a member of the family.
10. A family that consists of a pregnant woman (with no other persons) shall be treated as a two-person family and will be assigned a two-bedroom unit.
11. Two disabled individuals may be assigned a two (2) bedroom voucher subject to the review and approval of a request for reasonable accommodation.
12. An extra bedroom may be approved as a reasonable accommodation for a family member with a disability subject to verification provided by a qualified medical practitioner.
13. A bedroom may be allocated for an approved Live-In Aide to provide continuous medical assistance to a Disabled Family member. Since a live-in aide is one person, no additional bedrooms will be considered for the Live-In Aide's Family. A live-in aide must not have another residence, but rather must live in the unit.
14. A bedroom will not be allocated to house furniture, and a bedroom will not be allocated for medical equipment unless it is verified necessary for a resident with a disability. FCHA will conduct an inspection to determine that the size and type of medical equipment verified to be needed by the participant with a disability warrants an additional bedroom. For example, a participant will not be approved for an extra bedroom to house a folding wheelchair.

F. Unit Size Selected by Voucher Holder

The family may select a dwelling unit of a different size than that listed on the Voucher; however, the affordability may not exceed 40% of adjusted monthly income at initial lease up. The unit must provide adequate space so that there are no more than two family members for each living or sleeping room in the unit.

The Housing Assistance Payment is based upon the lower of the Payment Standard for family unit size or the Payment Standard for the unit size rented by the family. The utility allowance for which the family will qualify will be based upon the lower of the allowance for the unit size approved for the family or the allowance for the unit actually leased.

G. Remaining Family Member

1. Under certain circumstances the original Family composition may be altered when the Head of Household leaves the unit. A Remaining Family Member, as defined by HUD, is an adult Family member already in the household at the time the Head of Household permanently leaves the household.
2. If the Head of Household dies, or otherwise permanently leaves the household for any reason unrelated to criminal activity or incarceration, and there is another eligible adult Family member capable of assuming the Head of Household position, the voucher assistance will pass to that Remaining Family Member, who will then become the Head of Household.

3. When the Head of Household leaves the unit because of violent or drug-related criminal activity or incarceration, FCHA will terminate assistance, not permit another family member to take over the voucher.

4. If there are more than one qualified remaining Family members, the Family may designate any qualified adult Family member as the Head of Household. The Head of Household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as Head of Household.
5. Whenever an adult family member takes over the position of head as the remaining family member, he or she becomes responsible for any debts to the owner or FCHA incurred by the previous head.
6. If the head of household dies or leaves the household permanently, the remaining family members must report this fact to FCHA in writing within 10 days after the head of household's departure.
7. FCHA will not permit adults not formerly members of the household to join the household simply to become the remaining member of a tenant family.

H. Temporary Absence of Head of Household

1. If the Head of Household is temporarily absent from the home due to illness requiring hospitalization, nursing home confinement, or employment outside the local area, including military service, the HCV HAP will be provided for a maximum of 90 days. The absent Head of Household's income will continue to be counted and the Family will be responsible for their portion of rent to the Landlord for the 90 day period. If the Head of Household is unable to return to the HCV Housing Program assisted unit after the 90-day period, FCHA will no longer consider the absent Family member the Head of Household and the Family may utilize the provisions of section G.
2. An exception will be considered for the benefit of minor children where there is no eligible remaining Family member that has the legal capacity to enter a lease under state and local law. If there is another eligible adult that was not previously a member of the household who is available to move into the unit and assume the role as Head of Household, FCHA may consider the addition of this adult as the Head of Household. The adult assuming the role as Head of Household must assume legal custody or kinship care of the minor children. The newly designated Head of Household must meet FCHA's eligibility and screening standards, and their income will be used to determine the Family's share of housing assistance. For the benefit of the minor children, the newly designated Head of Household may assume permanent status as Head of Household if the initial Head of Household is unable to return to the unit and grants written authorization. In such cases, the initial Head of Household's claim to HCV assistance is lost. The new Head of Household would assume any outstanding debt incurred by the former Head of Household.

I. Separation or Divorce

In cases of divorce or separation under a settlement or judicial decree, FCHA shall follow a court's ruling in determining which Family members continue to receive HCV assistance. In cases where no settlement or judicial decree exists, FCHA will:

1. grant the voucher to the Family member who retains custody of the minor children or who cares for Disabled Family members.

2.grant the voucher to the Family members forced to leave a unit as a result of actual or threatened physical violence against Family members by a spouse or other Family members of the household.

3.grant the voucher to the Family member that provides housing for the minor children 51% or more of the time in the case of joint custody.

4.FCHA will not grant both parents of minor children a voucher when they divorce or separate.

J. Determination of Family Share of Housing Cost (24 CFR part 5.609)

The Family's contribution to the housing cost will be based upon the verified Annual and Adjusted Income as defined in HUD regulations.

The amount of the Total Tenant Payment will be calculated based on the highest of:

1.ten percent (10%) of the monthly unadjusted Family Income.

2.thirty percent (30%) of the Family's monthly adjusted income.

3.FCHA minimum rent of \$50.00.

4.The actual amount of the family's contribution will be the Total Tenant Payment unless the family chooses a unit with a gross rent higher than the payment standard. In this instance, the family's contribution to housing cost will equal the Total Tenant Payment plus the amount by which the gross rent exceeds the payment standard.

K. Exemption from Minimum Rent Requirement

Families paying the minimum rent required by FCHA may request an exemption from the minimum rent requirements if they believe the imposition of minimum rent creates a hardship for their Family. FCHA will consider the following hardships:

1. The Family has lost eligibility for, or is awaiting an eligibility determination for federal, state, or local assistance program.

2. The income of the Family has decreased because of changed circumstances including loss of employment; or

3. A death in the Family has occurred.

The minimum rent exemption will be granted to families paying minimum rent as soon as the exemption is requested and FCHA will begin verifying the nature of the circumstances under which the family qualifies for the exemption. If the verification process reveals that the circumstances will last for less than 90 days, the minimum rent will be reinstated retroactively to the date it was requested. If the circumstances will last for more than 90 days, the minimum rent will be exempted until the circumstances change.

When the minimum rent is exempted, the family's Total Tenant Payment will be the greater of 30% of adjusted monthly income or 10% of total monthly income.

L. Adjustments to Income

Adjusted income is the annual income of all household members after making the mandatory deductions as identified in **24 CFR 5.611** and **24 CFR 5.617**.

Mandatory Deductions include:

- a. \$480 for each dependent.
- b. One \$525 for elderly or disabled Families.
- c. Un-reimbursed anticipated annual medical expenses of Elderly or Disabled Families that exceed ten percent (10%) of annual income.
- d. Un-reimbursed disability assistance expenses for care or apparatus for disabled Family members that exceed ten percent (10%) of annual income and permit an adult family member to work; and

HOTMA rules permit PHAs to freeze the deductibility threshold for unreimbursed health and medical expenses plus unreimbursed disability expenses at five (5) percent and FCHA opts to grant this relief to current voucher holders who qualify.
- e. Reasonable childcare expenses to allow an adult Family member to work, actively seek work, or attend school.

M. Verification of Income, Assets and Deductions

FCHA shall follow the stricter of HUD's regulations and guidance on the verification of income, assets and asset income and deductions from income or its own procedures. See *Procedure on Verification of Information*.

N. Non-Cash Contributions to Families

As required by Federal regulations, in determining Annual Income, regular non-cash contributions from persons outside the Family are included. This information shall be obtained from the Zero Income Interview Questionnaire, Contribution Form and Personal Declaration and Questionnaire; FCHA shall verify the type and value of the non-cash contribution by contacting the source and obtaining an acceptable third party verification.

O. Maximum Initial Rent Burden

A family shall not initially pay more than 40% of their monthly adjusted income toward their portion of the rent and utility allowance for occupancy of a newly leased HCV assisted unit. This rent burden test is applied at the initial lease-up of a new unit (including whenever a family moves) but is not applied during subsequent years of occupancy in a unit already under lease.

P. Utility Allowance

At least annually, the Housing Authority shall obtain and analyze utility rate data for Utility providers in the local jurisdiction and will determine whether there has been a Change of 10% or more in the rate for any utility since the last revision of the Utility Allowance Schedule.

If there has been a change of 10% or more, an appropriate adjustment to the schedule shall be made. No adjustment shall be made for any increase less than \$1 per unit month.

Q. Utility Reimbursements

When the unit leased by a participating family has tenant paid utilities and the amount of utility allowance exceeds the Family's Total Tenant Payment, FCHA shall issue the Family a payment for the amount by which the utility allowance exceeds the total tenant payment. This is the Utility Reimbursement. If the value of the Utility Reimbursement is less than \$15 per month, FCHA has the option to pay quarterly, if more than \$15 per month, it will be paid monthly. FCHA has the option to pay the utility reimbursement to

The utility company on the family's behalf rather than paying it to the family. FCHA has chosen to pay all utility reimbursements to tenants monthly.

VII. Request for Tenancy Approval, Inspection and Leasing

A. Term of the Voucher and Extensions

Once a Voucher has been issued, it is the family's responsibility to locate suitable housing. The housing unit's rent must fall within the rent reasonableness limitations for comparable unassisted units set by the Housing Choice Voucher Program; the unit must meet Housing Quality Standards requirements; and the family share for rent and utilities may not exceed 40 percent of their adjusted monthly income.

The initial voucher term will be 120 calendar days. The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless FCHA grants an extension. FCHA will not grant extensions of search time in extenuating circumstances, except as described below.

FCHA will approve extensions, if necessary, as a reasonable accommodation for a person with disabilities. A family seeking an extension of the voucher term must submit a request for reasonable accommodation, and the request must be made before the voucher expires.

In addition, FCHA will approve extensions if the rental market is so tight that even diligent searching by voucher holders does not produce a unit suitable for the family. Generally, when the vacancy rate is less than two percent, it is considered a tight market.

It is FCHA's policy to suspend the term of the voucher from the date a Request for Tenancy Approval and proposed lease is received by FCHA, while FCHA processes the request, until the date FCHA makes a final determination with respect to that Request for Tenancy Approval.

B. Portability and Moves

Portability is a feature of the HCV program under which voucher holders may use their vouchers in jurisdictions other than those that issued the voucher. The details of portability are covered in the *Procedures on Portability*. Eligible families are permitted to port to another jurisdiction that runs an HCV program, subject to the following policy:

Outgoing Vouchers:

1. Families whose head and spouse lived somewhere other than the FCHA's jurisdiction on the date of application must lease within FCHA's jurisdiction for 12 months before becoming eligible for portability.
2. Families whose head and spouse lived in the FCHA's jurisdiction on the date of application are eligible for portability as soon as they receive their voucher as long as they hold a valid Housing Voucher, have not violated any Family Obligations, do not owe money to any Housing Authority and are moving to a location where their housing assistance payment is affordable under FCHA's budget authority, if the receiving FCHA cannot absorb their voucher.
3. Families that are new admissions to the program must meet the income eligibility requirements applicable to the area where the family initially leases a unit with

EQUAL HOUSING
OPPORTUNITY

4. Participant families are not required to meet the income eligibility requirements in the area the family plans to move. Families must notify FCHA in writing when they want to move out of FCHA's jurisdiction using the portability feature.

Incoming Vouchers:

FCHA may absorb some or all incoming portable vouchers when it has funding available. Otherwise, when FCHA reaches full utilization (or when there are questions about the availability of HUD HAP payments), FCHA will not absorb incoming portable Vouchers but will bill the sending FCHA for the family's costs under the program.

C. Restrictions on Renting to Relatives

Families may not lease a property owned by relatives (i.e., sister, brother, mother, father, spouse, son, daughter, etc.) as set forth in HUD regulations. Exceptions to restrictions on renting to relatives are made if a reasonable accommodation is required for the family and is approved by the ADA-504 Coordinator. Families seeking an exception must submit a request for reasonable accommodation. In no case will an exception be granted to permit someone to lease a unit from a family member when that family member owns and lives in the unit, since this is forbidden by statute and regulation.

D. Request for Tenancy Approval

After the family is issued a voucher, the family must locate an eligible unit with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the FCHA to approve the assisted tenancy in the selected unit.

E. Owner information in the RFTA package

1. All new Landlords must provide the following documentation:
 - a. Tax identification letter issued by the IRS or social security card
 - b. Direct deposit agreement with voided check if they wish to be paid by direct deposit
 - c. IRS W-9 form with original signature
 - d. Proof of ownership of the unit
 - e. Proof that property taxes are paid up to date
 - f. Management agreement, if the owner is not personally managing the property.
 - g. Completed Request for Tenancy Approval (RFTA) – Form HUD-52517
 - h. Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum – Form HUD-52641-A
2. The RFTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, utilities to be paid by the participant family, proposed rent, rent for unassisted units at the property, and the requested beginning date of the lease, necessary for the FCHA to determine whether to approve the assisted tenancy in this unit.
3. Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.

Owners must certify that they are not the parent, child, grandparent, grandchild, aunt, uncle, sister or brother of any member of the family, unless FCHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household, and the owner is not living in the unit.

5. For units constructed prior to 1978, owners must either
 - a. certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or
 - b. attach a lead-based paint disclosure statement.
6. The RFTA, proposed lease, and other required documents listed above must be submitted no later than the expiration date stated on the voucher. **HCV Guidebook p. 8-15**
7. The duration of the lease shall be one year.
8. When the family submits the RFTA the FCHA will review the RFTA for completeness.
 - a. If the RFTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RFTA, the FCHA will notify the family and the owner of the deficiencies. It is the sole responsibility of the owner and the tenant to submit the required documentation timely and without omissions or errors. Failure to provide this documentation within the specified time and without errors will result in the nullification of the RFTA approval process.
 - b. Missing information and/or missing documents will only be accepted as original hard copies, scanned copies of original documents transmitted electronically, and in-person. The FCHA will not accept missing information over the phone but will accept some missing information via fax or email.
9. When the family submits the RFTA and proposed lease, the FCHA will also review the terms of the RFTA for consistency with the terms of the proposed lease.
 - a. If the terms of the RFTA are not consistent with the terms of the proposed lease, the FCHA will notify the family and the owner of the discrepancies.
 - b. Corrections to the terms of the RFTA and/or the proposed lease will only be accepted as original hard copies in-person, or scanned copies of original documents transmitted electronically. The FCHA will not accept corrections by phone but will accept some corrections via fax or email.
10. Because of the time sensitive nature of the tenancy approval process, FCHA will attempt to communicate with the owner and family by phone, fax, or email. FCHA will use mail when the parties can't be reached by phone, fax, or email.

F. RFTA Limitation

The family may submit one Request for Tenancy Approval (RFTA) at a time. The family may only submit another RFTA if the previously submitted RFTA is voided.

G. Screening and Security Deposit Requirements

FCHA encourages Landlords to screen all potential residents. Landlords need not accept Families that have a poor rental history, a history of allowing persons not listed on the lease to live in the unit, a history of damaging units or vacating units without giving proper notice. FCHA shall not provide reimbursement to Landlords in cases when there are damages caused by the HCV Family or their guests; when the HCV Family vacates

the unit without giving proper notice or does not pay the Family's portion of rent owed under the lease.

Owners may collect a security deposit that is reasonable and comparable to security deposits collected for similar, unassisted units in the area. FCHA prohibits security deposits in excess of private market practice or in excess of amounts charged to unassisted tenants.

To facilitate screening of applicants FCHA will provide the Landlord with the Family's current address, as shown in FCHA's records, and the name and address, if known, of the Family's current and previous Landlord.

H. HAP Execution Policies

1. Both the owner and voucher holder must sign the Request for Tenancy Approval. The Request for Tenancy Approval and a copy of the owner's proposed lease must be submitted prior to the expiration of the Housing Voucher.
2. The Lease form must be the standard form used in the locality by the owner. The lease must contain terms consistent with State and local law, and that apply generally to unassisted tenants in the same property.
3. The HUD Tenancy Addendum to the lease must be used in conjunction with the owner lease and HAP contract. FCHA will review the documents to determine if they are consistent with State law.
4. The owner may be required to make changes to his/her lease agreement. If the lease does not meet HUD requirements, FCHA will explain the problems to the owner and suggest how they may be corrected, by a specific date. If the lease cannot be approved for any reason, the owner and the family will be notified in writing and the reasons provided.

I. Non-housing Agreements

1. Owners and tenants may execute agreements for services (i.e., parking, furniture, late charges, pets, pet deposits⁶, community rules, and covenants) and appliances (other than range and refrigerator) and other items in addition to those that are provided under the lease, if the agreement is in writing and approved by FCHA. Separate agreements must be attached to the Lease as a Lease Addendum. A copy of the agreement must be provided to FCHA.
2. Any appliance, service or other item(s) that is routinely provided to non-subsidized tenants as part of the lease agreement (such as air conditioning, dishwasher, garbage disposal or garage) or is permanently installed in the unit cannot be put under separate agreement and must be included in the lease. **For an item to be covered by a separate agreement, the tenant must have the option of not utilizing the service, appliance or other item.**
3. FCHA is not liable for unpaid charges for items covered by separate agreements and nonpayment of these separate agreements cannot be cause for eviction.
4. The following types of separate agreements are not acceptable: agreements for altered or additional security deposit, altered or additional rent amounts and/or fees, excess utilities, or charges for any item customarily included in rent in the locality or provided at

⁶ Note that an Assistance Animal (service animal or companion animal) verified to be needed by a person with a disability is not a pet and a pet deposit may not be charged.

no additional cost to unsubsidized tenants on the premises.

J. Housing Quality Standards (or any subsequently adopted HUD standard)⁷ and Inspections

1. Prior to execution of the HAP contract, FCHA is required by HUD regulations to inspect the unit to ensure it meets Housing Quality Standards, (HQS) or any subsequently adopted HUD standard.
2. HUD's performance and acceptability standards for HCV-assisted housing are provided in **24 CFR 982.401**. FCHA's administration of the Housing Quality Standards is covered in the *Procedure on Housing Quality Inspections*.
3. No unit shall be initially placed under contract in the Housing Choice Voucher Program until/unless the standards are met. Units must also continue to meet HQS as long as the family continues to receive housing assistance in the assisted unit. HQS takes precedence over local housing codes and other codes.
4. The family must allow FCHA and the owner to inspect the unit at reasonable times with reasonable notice and grant access to the unit in emergencies. Failure to allow access for inspection or an emergency is a violation of the family obligations and grounds for termination from the program.
5. Modifications to Provide Accessibility
 - a. Under the Fair Housing Act of 1988 an owner is not permitted to refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit at the family's expense.
 - b. Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [**28 CFR 35.151(c) and Notice 2003-31**] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.
 - c. When the applicant moves from the unit the owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises.
 - d. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time.
 - e. The interest in any such account accrues to the benefit of the tenant and the owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained. **24 CFR 100.203; Notice 2003-31**
6. Family Responsibilities **24 CFR 982.404**

The family is responsible for breach of the HQS that is caused by the following:

⁷ HUD intends to replace the Housing Quality Standard in 2023 with a more stringent standard. When this occurs, FCHA will begin using the new standard in place of HQS.

Utilities that are required to be paid by the tenant are not in service.

- b. Appliances that are required to be provided by the tenant are absent or not working.
- c. Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.

7. Owner Responsibilities

- a. The owner is responsible for all HQS violations not listed as a family responsibility above. However, if the family's actions constitute serious or repeated lease violations the owner may take legal action to evict the family.
- b. FCHA does not enforce the lease agreement between the Family and the owner through the enforcement of HQS; however, a Family's living habits may cause damage to the unit and result in HQS violations that are the Owner's responsibility to repair. Owners are responsible for all lease enforcement activities and any legal actions taken as a result of serious and/or repeated violations of the lease agreement. Lease violations and eviction paperwork must be submitted to FCHA at the time of occurrence.
- c. FCHA shall review all communications sent from owners related to lease violations and/or evictions and take appropriate action based upon the type of violations. This may include termination of assistance for the Family that has violated the lease agreement.
- d. Owners who fail to provide FCHA with documentation throughout the Family's occupancy, risk the possibility that a Family may be relocated even if serious lease violations have occurred.
- e. Failure to provide FCHA documentation at the time of occurrence and/or failure to properly enforce the lease agreement may not justify denial of a move request or the termination of assistance to the Family.

8. Special Requirements for children with elevated blood-lead levels **24 CFR 35.1225**

- a. A risk assessment must be conducted for deteriorated paint at initial and annual inspections when the unit was built prior to January 1, 1978 and occupied by a child on the lease under the age of six. The risk assessment must be completed in accordance with program requirements and the results of the risk assessment will immediately be provided to the family and the owner of dwelling. Within 30 days after receiving the risk assessment report from FCHA, or evaluation from the public health department, the owner is required to complete the reduction of identified lead-based hazards in accordance with the lead base paint regulations **24 CFR 35.1325 and 35.1330**. All deteriorated paint found in the above referenced units, must be corrected in order to pass HQS. The requirement for passed inspections is triggered by the amount of the deteriorated paint observed known as the Below De Minimus or at or Above De Minimus rule. FCHA must determine which set of requirements the owner is instructed to follow to correct deteriorated paint and describe the deficiency on the HQS Inspection Report. An executed copy of the Owner's certification showing lead base paint clearance is required to pass any LBP violation listed as at or above De Minimus. If the owner does not complete the "hazard reduction" as required by the re-inspection, the dwelling unit is in violation of HQS and will result in abatement of HAP payment to the owner. If the FCHA is notified by a public health department or other medical health care provider or verifies information from a source other than public health department or medical health provider, that a child of less than 6 years of age,

living in an HCV assisted built prior to January 1, 1978, has been identified as having an environmental intervention blood lead level, the FCHA will complete a risk assessment of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information will be provided to the owner.

9. At least quarterly, FCHA shall attempt to collect from public health department(s) within FCHA's area of operation the names and/or addresses of children under 6 year of age with an identified environmental intervention blood lead level. FCHA shall match this information for families receiving HCV assistance. If a match occurs, FCHA will notify the owner and conduct a risk assessment inspection.

10. Violation of HQS Space Standards **24 CFR 982.403**

If a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, the FCHA will issue the family a new voucher at the earlier of the family's next annual reexamination or the expiration of the family's lease, and the family must try to find a large enough unit as soon as possible.

K. Additional Inspection Requirements

1. FCHA uses the acceptability criteria in HUD program regulations **24 CFR 982.401**, interpretative guidance of acceptability criteria in Form HUD 52580-A Inspection Checklist, and the HUD Housing Inspection Manual.
2. Where these documents instruct that guidance should be sought from local codes/practice, FCHA has issued instructive guidance in the form of Inspection Policy and Procedure maintained in FCHA's Inspections Office.

L. The Inspection Process

Before approving a lease, FCHA shall inspect the dwelling unit for compliance with HQS. All inspections of units shall be conducted within 7 to 10 calendar days of the date the unit will be ready for inspection, as documented on the RFTA packet.

FCHA uses an electronic inspection system to conduct HQS inspections. Copies of the failed inspection report shall be mailed or emailed to the Landlord and Family. A report for every inspection shall be prepared and maintained in the Family's file in the HCV division. Each report shall specify the defects or deficiencies, if any, which must be corrected by the Landlord before the HAP contract will be executed.

1. Initial Inspection

If at the time of the initial inspection FCHA determines that violations exist, FCHA shall notify the Landlord in writing, and require the defects be corrected. A copy of this notification shall be retained in the Family's file. If FCHA determines, as a result of the re-inspection that the Landlord has satisfactorily corrected all defects or deficiencies, FCHA shall execute the Housing Assistance Payment Contract.

If the Landlord fails to make the required repairs within the time frame provided by FCHA, the inspection and the RFTA shall be cancelled. The Family will then be issued new paperwork to search for alternate housing, provided there is time left on the voucher to search for housing.

2. Biennial Inspection

Biennial inspections of the unit are conducted within 730 days of the initial or annual inspection. If the unit passes the inspection, FCHA shall continue HAP payments to the Landlord.

3. Emergency Fail Items (Abatement will follow)

Emergency inspections are conducted immediately upon receipt of information that there are deficiencies in a unit that may be considered life threatening. Such deficiencies must be corrected within 24 to 72 hours of the inspection date, depending on the nature of the deficiency.

Hazards that pose an **immediate threat to the health and safety** of the Family must be corrected within twenty-four (24) hours. Examples include any condition that jeopardizes the security of the unit including but not limited to:

- a. Broken locks (window, doors, or any point of entry),
- b. Broken window or door frames,
- c. Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling,
- d. Natural gas or fuel oil leaks,
- e. Any electrical problem or condition that could result in shock or fire,
- f. Conditions that present the imminent possibility of injury,
- g. Obstacles that prevent safe entrance to or exit from the unit,
- h. Absence of a functioning toilet in the unit,
- i. Absent or non-operable smoke detector,
- j. Absent or non-operable carbon monoxide detector
- k. Absence of a working heating system outside temperature is below 60 degrees Fahrenheit,
- l. No gas in unit when the unit has gas appliances or fixtures,
- m. No running water in unit,
- n. No electrical power in unit,
- o. Non-working Air Conditioning/Doesn't maintain appropriate temperature.

During the period of October 15th to May 1st, hazards that represent a potential threat to the health and safety of the Family must be corrected within seventy-two (72) hours. Examples include:

- a. Heating system does not maintain a temperature of at least 68 degrees Fahrenheit when the outside temperature is below 60 degrees Fahrenheit.
- b. The unit lacks hot water.

If a Family is issued a voucher to move because the HQS inspection revealed the unit is in a condition that poses a threat to the health and safety of the Family, FCHA may notify the appropriate city for code enforcement. The city will be given the property address and Landlord's name.

4. Complaint Inspections

FCHA shall respond to all Families reporting violations of Housing Quality Standards in their units. Requests for complaint inspections are made to the HCV Housing Coordinator. Families may call or submit a written request. FCHA will also respond to calls made by the general public reporting violations of HQS. If the nature of the violation threatens the health and safety of the family, an immediate HQS inspection will be conducted.

Once the complaint is received, FCHA shall notify the Family and Landlord of the complaint and give the Landlord and/or Family a reasonable amount of time to address the complaint and make necessary repairs. If the complaint is not addressed appropriately within the time frame specified, FCHA shall perform an inspection of the unit and take the steps outlined for such situations according to the terms of the HAP contract.

Hazards that pose no threat to the health and safety of Families must be corrected within thirty (30) days. If the nature of the violation threatens the health and safety of the family, an immediate HQS Inspection will be conducted.

Re-inspection Process: FCHA shall schedule a re-inspection by providing written or email notice to the landlord with a copy to the family, advising him or her of the date and time of the re-inspection. Routine re-inspection appointments shall occur no later than twenty-one (21) days after the unit fails inspection. **A nine day grace period will be granted to the family or landlord to request a final inspection. Failure to have all non-emergency repairs made within 30 days will result in terminating program assistance if the family is responsible for making the correction, and/or cancelling the HAP contract and relocating the family if the landlord is responsible for making the correction.** FCHA will bear the cost of the first inspection of any of the types of inspections listed above and one additional, follow-up inspection. If subsequent inspections are needed before the unit passes HQS, FCHA will charge the owner its actual costs for inspections beyond the first two inspections. This policy is designed to encourage owners to make timely improvements.

5. FCHA-Owned Units

FCHA shall obtain the services of an outside contractor to inspect for HQS at all properties in which FCHA or an affiliate owns and/or has an owner interest. The outside contractor shall inspect no more than 25% of these FCHA owned units and will communicate the results of the inspection to FCHA and the Family. The remaining 75% of inspections will be conducted by FCHA Housing Inspectors.

M. Abatement of Housing Assistance Payment

FCHA shall abate HAP to Landlords for units that fail HQS when the Landlord fails to make acceptable corrections within the required time frame. FCHA shall not abate payments to Landlords for violations of HQS that are the Family's responsibility. FCHA shall offer housing mobility services to the Family when payments to the owner are abated due to no fault of the family.

FCHA will abate housing assistance payments when the unit fails a re-inspection for a violation of HQS that is the responsibility of the Landlord and may take action to ban the landlord from participating in the FCHA HCV program.

1. Mandatory Relocation of Family

Once it is determined to abate the unit, the landlord shall be notified in writing of FCHA's intent to abate the HAP on the unit and move the Family. FCHA shall cancel the HAP contract when the Family moves from the unit or sixty (60) days after the abatement notification date, whichever comes first.

If FCHA initiates action to abate the unit, the Family must move from the unit. If the Family decides not to move, FCHA shall terminate the assistance to the Family in accordance with the HAP Contract.

HQS Violations

In accordance with the HUD Tenancy Addendum (HUD-52641A), a breach of the HQS caused by the Family is not the responsibility of the Landlord. FCHA will terminate assistance to the Family if the Family fails to correct a HQS breach caused by the Family member or by a guest.

The following actions constitute a Family breach of the HQS:

- a. Tenant paid utilities that are not in service.
 - b. Failure to provide and maintain any appliances that are to be provided by the Family.
 - c. Vermin infestation in the unit caused by the family's housekeeping; or
 - d. Damage to the unit beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the family's security deposit under state law.
3. Owner Responsibility

The owner is responsible for all other HQS violations not listed in the Family breach of HQS section listed above, even if the violation is a result of the Family's living habits. If the Family's living habits constitute serious and/or repeated violations of the lease agreement, it is the owner's responsibility to enforce the lease with appropriate legal action up to and including eviction of the Family from the property. (See Family violation section listed above.)

The owner may choose to make repairs that result from a Family's violation of the lease agreement and bill the Family for the repair.

N Rent Reasonableness Determination

FCHA shall monitor the rents within its jurisdiction and disapprove a lease for a rent that is not reasonable, based on the rents charged for comparable rental units in the immediate area. FCHA shall exercise this authority for all HCV tenant-based program participants.

1. Factors to Consider When Determining Rent Reasonableness

HUD requires FCHAs to take into consideration the factors listed below when determining rent comparability. The FCHA may use these factors to make upward or downward adjustments to the rents of comparable units when the units are not identical to the HCV-assisted unit.

- a. Location and age of the unit.
- b. Unit size, including the number of rooms and square footage of rooms.
- c. The type of unit, including construction type (e.g., single family, duplex, garden, low-rise, high-rise).
- d. The quality of the units including the quality of the original construction, maintenance and improvements made.
- e. Amenities, services, and utilities included in the rent.
- f. Availability of public transportation at or near the unit; and
- g. Proximity to quality schools and employment opportunities.

Units that Must Not be Used as comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: HCV project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits or tax incentives; and units subsidized by the Department of Agriculture rural rental housing programs

3. Rents Charged for Other Units on the Premises
 - a. The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.
 - b. By accepting payment from FCHA each month, the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises.
 - c. If asked to do so, the owner must give FCHA information regarding rents charged for other units on the premises in accordance with the voucher program regulation at **24 CFR 982.507**, which requires FCHA to certify that the rent charged to the housing choice voucher tenant is not more than the rent charged for other unassisted comparable units in the open market.
4. FCHA's Rent Reasonableness Approach

FCHA utilizes a rent reasonableness system and database that compares similar units and includes and considers all of HUD's rent reasonable factors. FCHA shall use 3 comparable units for each rent reasonableness determination. A pricing methodology adjusts the rental value of the comparable units, based on features that may differ between the comparable units and the subject unit. For example, when a comparable unit has a significant feature that the subject unit does not have (e.g., owner-paid utilities), the rental price of the comparable unit will be adjusted downward, as if the comparable unit also did not have this feature. The amount of the adjustment is equal to the value of that feature in the market. A pricing system is a model identifying price factors according to the premise that price is determined both by internal characteristics of the good being sold and external factors affecting it. The most common example of the pricing method is in the housing market: the price of a property is determined by the characteristics of the house (size, appearance, features, condition) as well as the characteristics of the surrounding neighborhood (accessibility to schools and shopping, level of water and air pollution, value of other homes, etc.) The pricing model is used to estimate the extent to which each factor affects the price.

FCHA shall use a database to identify and compare the program subject unit to the most similar private market rental property units within a specific geographic radius, drawing on a data base of non-subsidized comparables and current property listings in compliance with HUD Rent Reasonable requirements.

Section **24 CFR part 982.507(c)** states that the owner must provide FCHA information requested on rents charged by the owner for other units in the premises or elsewhere. The RFTA, Form HUD-52517 was revised to add information from owners of multifamily properties on the rents charged for three (3) recent rentals of

comparable unassisted units in the same complex. The owner supplies this information in Section 12a of the revised RFTA. FCHA may use the information provided in Section 12a of the form to determine and document rent reasonableness for comparable unassisted units in the same apartment complex.

5. How Market Data is Collected

FCHA's database utilizes landlord listings to continuously update a database used to determine rent reasonableness. The database allows staff to use a variety of techniques to assure that data is current and acceptable. Techniques include but are not limited to phone verification, Multiple Listing Service updates, and owner provided leases. FCHA may collect and enter data on unit information and market rents in the FCHA jurisdiction. Information sources may include newspapers, realtors, appraisers, market surveys, landlords, and other available sources. Unit data will include the location, quality, size, type and age of the unit, as well as amenities, housing services, maintenance and utilities to be provided by the owner. Data will be updated on an ongoing basis and rent information that is more than 12 months old will not be used to determine rent reasonableness.

6. How Rents are Determined

The FCHA shall use a unit-to-unit comparison, by which the rent for a unit proposed for HCV assistance is directly compared to the rents for one or more unassisted units selected as comparables within the same market area. Interactive maps, with satellite overlays, will be used to identify and select the most similar unsubsidized units in closest proximity to the subject unit, and comparable unit data characteristics will be used to select the most similar units.

In comparing rents, FCHA shall take into account critical market factors that impact rent, including the location, quality, size, unit type, and age of the contract unit, as well as any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

Where comparable units differ from the unit proposed for HCV assistance, FCHA shall determine whether those differences impact rent. Where they do, FCHA shall adjust the rental value of the comparable units, up or down, based on the market value of these factors. The rent for the unit proposed for HCV assistance will be compared to the adjusted rents for the comparable units, enabling a fair, accurate, market-based determination of rent reasonableness.

FCHA shall notify the owner of the rent approved based upon its analysis of rents for comparable units. If the owner disagrees with this analysis, the owner may submit additional information in support of their requested rent. FCHA may consider this information when making rent determinations. The owner must submit any additional information within 3 business days of the FCHA notification.

O Housing Assistance Payment Contracts with Landlords

1. When a complete and correct RFTA package is received, the unit passes the HQS inspection, the rent is determined to be reasonable, and the Family's share of the rent will not exceed 40 percent of the Family's adjusted monthly income, FCHA will execute a Housing Assistance Payment (HAP) Contract with the owner.
2. FCHA shall execute HAP contracts for new admission Families on any day of the month after the unit has passed inspection and the rent has been agreed to by FCHA and the landlord.

FCHA shall execute HAP contracts for moving Families on any day of the month after the unit has passed inspection and the rent has been agreed to by FCHA and the landlord. FCHA shall terminate all HAP Contracts of relocating Families on the last day of the month. If the Family has possessions in the unit beyond the last day of the month and has taken occupancy of the new unit, the Family may be responsible for the rent due to the landlord in one of the units (FCHA may make HAP payments on two units for the same period of time, with the exception of the initial payment to the new landlord).

4. FCHA shall inform the Family and the landlord of the approved date of move in for the Family and the approved date of HAP contract effective date. The lease between the landlord and the client must have the same initial date as the HAP contract.

P. Monthly HAP Payments

1. HAP disbursements shall be deposited directly into the Landlord's bank account by the fifth day of every month. A computerized statement detailing payment activity shall be provided electronically to the Landlord by the fifth of each month.
2. Landlords who request to be paid by check initially will be sent one check, but all landlords will be required to enroll in direct deposit.
3. All HAP payments made by FCHA to the Landlord are deemed received by the Landlord when the funds are wired by FCHA to the Landlord's =. FCHA can recover overpayments by deducting from the HAP disbursement.
4. Landlords are t required to enroll in the direct deposit program.
5. Late Payments: The first HAP for a new contract will be received no later than two calendar months following the execution of the HAP contract. The HAP contract must be executed within 60 days of move in by the Family. If the HAP contract has not been executed within 60 days of move in by the Family, FCHA will consider the HAP contract void and not make any payment. All other payments will be made by the fifth day of each calendar month. FCHA will not pay late fees on unpaid late fees.

No late fee will be assessed or paid by FCHA if the payment is received late due to factors beyond FCHA's control or receipt of late payment is due to an adjustment in either the amount of contract rent to the Landlord or the HAP to be made by FCHA.

FCHA shall pay a late fee of \$50.00 for HAP not made (as defined above), due to factors within FCHA control. No other late fees will be paid. This payment is made upon request from Landlord, provided he/she has a policy and practice of collecting late fees from private market Families residing in his/her units.

Section VIII. Ongoing Program Operations

A. Rent Increases to Owners

On or after the anniversary of the first year or term of the lease and HAP contract, owners may request a rent adjustment. All adjustment requests submitted to FCHA must be requested in writing in the format prescribed by FCHA. The owner must provide a 60 day advance notice to the family and supply a copy to FCHA. Owner rent adjustments, if determined reasonable by FCHA, are effective the first day of first month commencing on or after the contract anniversary date or 60 days from the first of the month following receipt of the owner request, whichever is later.

In order for the tenant to remain on the Housing Choice Voucher program in the unit, the

new rent must meet rent reasonableness. If it does not, FCHA will attempt to negotiate the rent with the owner to an amount acceptable. If FCHA is unsuccessful and the owner proceeds with the rent increase, the tenant will be issued a voucher to move to a program acceptable unit.

FCHA reserves the right to suspend processing of owner requests for rent adjustments whenever funds are not sufficient to cover the cost of such adjustments.

B. Annual Recertification

1. Families are required to provide information on income, assets, deductions, and family composition at least annually, as well as the need for and the eligibility of a live-in aide.
2. FCHA will conduct a criminal history check on all adult family members prior to the scheduled annual recertification.
3. Re-certification dates will change when a family moves or qualifies for an Earned Income Disallowance.
4. The following new eligibility requirements are in effect because of HOTMA:
 5. **Families that do not own Net Family Assets (as defined herein) worth more than \$100,000**
 6. **Families that do not own a home they could live in (as defined herein)**
 7. **FCHA will give current public housing tenants and current HCV voucher holders six months to get their Net Family Assets below the \$100,000 and/or to sell a home that they could live in.**
 8. **Annual income upon which rent is based, will be the income (as defined herein) at the time of the annual reexamination.**
- 7.
9. FCHA will conduct recertifications by mail, by email or, for families including an individual with a disability who is unable to complete a mail or email recert, in person, either at FCHA offices or at the family's home.
10. Recertification packets will be mailed or emailed to participating Families 90 to 120 days in advance of the scheduled annual re-certification effective date.
11. The head of household will be notified that she/he (and live-in aide if any) must complete the included information packet, including providing signatures on any third party verification forms needed.
12. It is FCHA's preference to conduct Annual Recertifications by mail or email; however, in-home or in-person recertifications will be conducted pursuant to a request and approval for reasonable accommodations to persons with disabilities or to preserve the health of family members and staff during a pandemic.
13. When an in-person recertification is to be performed, all adult household members, and live-in aide, if applicable, must attend the interview and bring the completed packet and all required documentation.
14. If the family fails to provide necessary information/documentation by mail or email or bring all the required documentation to the interview, the family will be notified by mail or email and allowed 10 additional days to submit the required data. If the data is not then submitted, FCHA will send the family a termination letter for violation of family obligations.

When a family qualifies for an in-person recertification, the interview may be re-scheduled once, based upon approval of extenuating circumstances, i.e., disability or work-related reasons, etc.

16. If the family who qualifies for an in-person recertification fails to attend two (2) scheduled re-certification appointments without contacting FCHA, the family may be terminated for failure to comply with program requirements.
17. Upon completion of the re-certification, FCHA will notify the owner and tenant in writing of the new rent to be paid by the tenant (and of the new Housing Assistance Payment, if applicable).
18. If there is an increase in tenant income that increases the tenant portion of rent, the tenant will be given a 30 day notice of the increase in rent. If re-certification was delayed by the tenant, the increase will be made retroactive to the original effective date of the re-certification.
19. If there is decrease in tenant rent, the decrease will become effective on the scheduled effective re-certification date.
20. During the annual reexamination process, the FCHA will determine the ongoing eligibility of each independent student who is subject to the eligibility restrictions in **24 CFR 5.612** by reviewing the student's individual income. The parents' income will not be reviewed.
21. If the student is no longer income eligible based on his/her own income the student's assistance will be terminated in accordance with the policies in Section 12-I.D.
22. If the student continues to be income eligible based on his/her own income the FCHA will process a reexamination in accordance with the policies in this chapter.
23. If a family includes a person who has a multi-year history of employments **except during recertifications** the family's annual income will include a projection of that individual's earnings. Should the person not be employed in the coming year, the family will be granted an interim rent reduction but be subject to an interim increase should the person subsequently go to work.

C. Interim Changes in Income and Family Composition

1. Residents are required to report all changes in family income, composition or status to the PHA within 10 calendar days of the occurrence. Failure to report is a lease violation and may result in lease termination, even if reporting would not result in a change in rent. Further, failure to report within the 10 calendar days may result in a retroactive rent increase, but not a retroactive credit or rent reduction. In order to qualify for rent reductions, residents must report income decreases promptly. Residents are also required to report interim increases in income if they have been granted interim rent reductions or have previously reported zero income.

2. Under the HOTMA regulation, PHAs are not required to perform interim rent adjustments if they believe that the difference in a family's annual income (either an increase or a decrease) will amount to a difference of less than 10 percent.

3. In addition, PHAs may decline to do interim adjustments in the last 3 months before a family's annual or biennial reexamination. If failing to perform

an interim adjustment will make it impossible for a family to pay rent, the PHA may conduct the interim adjustment in the last 3 months before the reexamination.

4. PHA wishes to encourage families to improve their economic circumstances, so some changes in family income between reexaminations will not result in a rent change. PHA will process interim changes in rent in accordance with the chart below:

INCOME CHANGE	PHA ACTION
(a) Decrease in income for any reason, <u>except</u> for decrease that lasts less than 30 days, is subject to Imputed Welfare Income rules, or will decrease annual income by less than 10 percent.	Process interim rent reduction if income decrease will last more than 30 days, is not subject to Imputed Income rules or is more than 10 percent of annual income. 24 CFR § 5.609
(b) Increase in verified family deductions	Process interim rent reduction if income decrease will last more than 30 days and reduces adjusted income by more than 10 percent. 24 CFR § 5.609
(c) Increase in income following PHA granting interim rent decrease.	Process all interim rent increases for income increases after interim rent reduction.
(d) Increase in earned income from the employment of a current household member.	Defer rent increase until next regular reexam unless the family has had an interim rent reduction in the reexam period. 24 CFR § 5.609
(e) Increase in unearned income (e.g., COLA adjustment for social security).	Defer rent increase to the next regular reexam unless the increase is more than 10 percent of annual income.
(f) Increase in income because a person with income (from any source) joins the household.	Conduct an Interim Redetermination of the family's income and raise the rent.
(g) Increase in income because Tenant misrepresented income or deductions.	Conduct an Interim Redetermination of the family's income and raise the rent retroactively to the date of the misrepresentation or terminate the lease.

5. Complete verification of the circumstances applicable to rent adjustments must be documented and approved by according to FCHA *Procedure on Verification* 24 CFR § 982
6. Voucher Clients granted a reduction in rent are required to report for special

- reexaminations whenever their income changes, until their next annual reexamination.
7. If Voucher Clients experience a decrease in income from public assistance because their grant is cut for one of the two following reasons, their rent will not be reduced:
 - a. Welfare department has reduced the grant because of welfare fraud; or
 - b. Welfare department has reduced the grant because the family failed to comply with economic self sufficiency requirements.
 8. If a Voucher Client challenges the welfare department's reduction of their grant, an interim reduction in rent will not be processed until the matter is settled by the welfare department.
 9. If the welfare department upholds the grant reduction, the Voucher Client shall owe a retroactive rent on the interim rent reduction granted in "8" above.
 10. If the welfare department overturns the grant reduction, no retroactive balance is owed. See *FCHA Procedure on Imputed Welfare Income*

Interim Rent Decreases

The tenant may report any of the following changes, which would result in FCHA conducting an interim adjustment to decrease the tenant's rent when verified so long as the decrease in income is at least 10 percent of annual income:

1. Decrease in earned or unearned income.
2. Increase in allowances or deductions.
3. If a family receiving Temporary Assistance to Needy Families (TANF) has their TANF grant reduced because of welfare fraud or failure to comply with economic self-sufficiency requirements, FCHA is not permitted to reduce tenant rent.
4. When a family's TANF grant is reduced, FCHA will verify the reason for the reduction through the Pennsylvania Department of Social Services and will reduce rent if the reason for the reduction is other than welfare fraud or failure to comply with economic self-sufficiency requirements.

Required Interim Redeterminations

1. For families claiming zero income, re-certification will be scheduled every 120 days.
2. For families whose annual income cannot be projected with any reasonable degree of accuracy, re-certification may be scheduled every 120 days.

Interim Rent Increases

Interim increases in Tenant Rent will be made only when:

1. The tenant has misrepresented any facts related to income or deductions from income; or
2. The tenant has claimed zero income and has been verified to have cash or non-cash income; or
3. A family member with income joins the family (with FCHA's approval); or
4. The tenant has experienced an increase in income after having received an interim decrease in rent.
5. The tenant has experienced an increase in unearned income of at least 10

percent of annual income.

Timing of Interim Rent Adjustments

1. Interim rent increases will be effective 30 days after the first of the month.
2. Decreases in the tenant rent will be effective the first of the month following the month the change was reported, so long as the facts alleged by the family are verified. If the verification process takes longer than the first of the month the decrease will be retroactive to the first of the month after the decrease was reported.
3. If a family's rent is increased due to unreported income or overstated deductions, the increase will be computed retroactive to the date when rent should have increased. Families may be offered a payment agreement for the retroactive balance. However, if FCHA has reason to believe that the failure to report is based upon intentional misrepresentation, FCHA may terminate assistance to the family. If the amount of overpayment of HAP is significant, the case will be reported to HUD's Office of the Inspector General.
4. Interim re-certification will be made effective the first of the following month of which the unreported income was documented and verified.
5. If the family's rent is decreased due to unreported change in income, the decrease will be effective the first date of the month after completion of the interim re-certification.
6. No retroactive rent decreases will be granted.
7. Participants must report changes in income timely in order to have the decreased rent effective for the first of the following month.
8. If the reduction is reported within 10 days of the change, the decreased rent will be made effective by the first of the following month.
9. If the family is responsible for delays in completing an interim re-certification, FCHA may terminate assistance.
10. The owner and tenant will be sent a notification letter informing them of the change in Rent, Tenant Rent and HAP, and the effective date of the changes.
11. Interim re-certifications do not affect regularly scheduled re-certification effective dates.

Interim Changes in Family Composition

The family is required to **report** the following in writing to FCHA within ten calendar days of the change:

1. A family member is added by birth, adoption, or court-awarded custody, with or without increased income.
2. The family wants permission to add a member by any method other than birth, adoption, or court-awarded custody.
3. The family loses a member.
4. FCHA will approve the addition to the family of children by birth, adoption, or court-awarded custody when verified, and
5. FCHA **may** permit the admission of other household members who were not a party to the lease, with written owner approval, based on the following criteria and provided the member is program eligible and the addition of the member will not disqualify the family for the size of voucher they are currently assisted under:

- a. Relationships consistent with FCHA's definition of family
 - b. Temporary custody of foster children
 - c. Other family member additions (e.g., kinship care)
6. Persons aged 18 or older may be approved for addition to the family only if the voucher size for which the family qualifies for will not increase. They will be subject to the same criminal history screening used for all applicants upon approval. Only one such person may be added to any family during their term as voucher holders.
 7. Other than children added by birth, adoption, or court awarded custody, additional family members must be authorized by FCHA in writing and approved by the owner in writing through an amendment to the lease agreement.
 8. Failure on the part of the owner to approve an additional Family Member to the assisted unit does not constitute automatic grounds for termination of the lease agreement or automatic grounds for FCHA to issue a new Housing Voucher to the family to facilitate their moving to another unit. Instead, it means that addition of the requested family member is a lease violation and may subject the family to lease termination and termination of assistance.
 9. An adult family member who has been removed from the lease at the family's request may not re-enter the household until the next annual recertification and then only if the voucher size for which the family qualifies for will not increase.
 10. Assisted families, whose head, spouse or other family member have become disabled since move-in, will have the opportunity to request a reasonable accommodation to increase the voucher size, if verified to be necessary to provide proper care or assistance. This may be requested when it is needed.
 11. Alternatively, the family may receive authorization to relocate to an accessible unit, as may be required. As a reasonable accommodation to persons with disabilities, FCHA may approve a mutual rescission that will permit a family to move before the end of the lease term.
 12. All requests to remove a household member (e.g., because the member has been involved in criminal activity that threatens the entire family with program termination) must be accompanied by substantial supporting documentation that the member to removed has another address if the family knows where the former member is living. Examples of such documentation could include utility bills in the name of the subject, canceled checks verifying payment of rent, driver's license indicating address is at a location corresponding to the utility billing or lease, or in their name at another location.
 13. If there is an FCHA-approved change in family composition resulting in an increase or decrease to the family's voucher size and payment standard, the appropriate size will be used at the time of next annual re-certification and/or move, whichever comes first.
 14. Failure of the family to report an over-housed situation may result in a requirement for repayment of excess HAP payments and/or termination from the program.
- D. Earned Income Disallowances (Adults with disabilities ONLY)
1. Disabled individuals who qualify for an Earned Income Disallowance before 12/31/2023 will receive the full 24 months of benefit. Thereafter the EID will not be available due to a change in federal law.
 2. If an adult Voucher Client with a disability goes to work or has new or additional

earned income and qualifies under one of the following three criteria [before 12/31/23](#), that individual will receive an Earned Income Disallowance (EID) as described below and in the FCHA **Procedure on Earned Income Disallowances**. To qualify, a Voucher Client must qualify as a person with a disability **and**:

- a. Goes to work after having been unemployed for at least twelve months, or goes to work after having earned less in the last 12 months than would be earned working ten hours per week for a fifty week year earning minimum wage; or
 - b. Receives new or increased earned income during participation in an education, job training, or other economic self-sufficiency activity; or
 - c. Receives new or increased earned income within six months of having received a cash benefit or in-kind services funded through the program of Temporary Assistance to Needy Families. If an in-kind benefit (childcare, clothing or transportation subsidies, for example) was received, it must be worth at least \$500 in the past six months.
3. During the first 12 months after the date when the Voucher Client qualified for the EID, the resident's rent will not be increased because of the new earned income. Rent during this period will be based on the resident's income before qualifying for the EID plus any increases in unearned income that may occur after qualifying for the EID.
 4. During the second 12 months after the date the resident qualified for the EID, the resident's rent will be increased by an amount equal to fifty percent of what the increase would be if not for the EID.
 5. The disallowance periods described in number 2 and 3 above only occur while the resident is employed. If the resident stops working, the disallowance stops and resumes again when the resident goes back to work.
 6. Even if the full 24 months of disallowance (12 months of full disallowance plus 12 months of 50% disallowance) have not been used, the EID will terminate 24 months from the date when the resident first qualified for the EID.
 7. An EID is awarded to a person, not an entire family. More than one adult family member can receive an EID at the same time if they qualify as described under number 1 above.
 8. No one receives more than one EID in a lifetime.
 9. The Earned Income Disallowance has been rescinded by federal law. Families that qualify before 12/31/23 will still receive the full 24 months of benefit, but no new EIDs will be approved after 1/1/24, since, at that point, the benefit will no longer be available.

E. Family Absences from the Unit

The family may be absent from the unit for up to 14 consecutive day periods with owner approval and written notification to FCHA. Absences longer than 14 consecutive days require advance approval by the owner and FCHA. The family may not be absent from the unit for a period of more than 90 consecutive days for any reason or the family will be terminated from the program, per HUD regulations. During the family absence, assistance payments are terminated, and the family is responsible for the full contract rent.

Assistance for the entire household will be terminated if the head of household, co-head,

house or adult child is absent due to incarceration for drug related or violent criminal activity.

F. Remaining Family Members

A remaining family member is defined as a family member listed on the most recent recertification who is 18 years of age or older, who meets all other eligibility criteria, and is a member of an Authority tenant family, but not a signatory to the lease and who continues to live in the unit after all other family members have left.

If the head of household leaves the Housing Choice Voucher program for any reason, any remaining adult in the household may be designated by the remaining family as the head of household. If there are no remaining adults in a household that includes minor children, FCHA may at its discretion allow another person related to the remaining tenant family by blood or marriage or court action to assume head of household responsibilities even though that person was not previously listed on the lease.

Families will not be permitted to add adult members to the Family for the purpose of "leaving them the voucher."

G. Family Moves

Moratorium on Family Moves

FCHA may enact a moratorium on all optional moves by the family. Such a moratorium will be formally adopted by the Board of Commissioners and public notice shall be posted both when the moratorium is adopted and when it ends. When such a moratorium is in effect, moves will still be permitted because of:

1. Relocation directed by FCHA.
2. Owner-caused failed HQS so long as the tenant is in compliance with program regulations.
3. Family need for an accessible unit to accommodate a member's disability.
4. Catastrophic disasters.
5. Family member is determined to be endangered from specific criminal activity directed at the family member rather than simply crime encountered because of the location of the family's unit, as verified by a threat assessment, and/or other available supporting documentation.
6. Family size exceeds appropriate voucher size by two or more persons.
7. Family is moving to a neighborhood that is not economically impacted.

When moves are permitted

A family is not permitted to move during the initial lease term. A family may only move once during any one-year period and only when their lease term has expired. Exceptions to restricting moves to the first term of the lease or within a twelve month period are limited to the conditions listed above under paragraph A. **Unless otherwise approved by FCHA, mutual rescissions of a lease between tenant and landlord are not allowed. A participant who chooses to rescind a current lease with a landlord without Authority approval may be subject to termination of assistance.**

Moves within FCHA's jurisdiction:

1. Other than the exceptions noted above, families will be eligible to move within

- FCHA's jurisdiction with continued assistance **only** if they:
- a. currently live in FCHA's jurisdiction⁸; and
 - b. hold a valid Housing Voucher; and
 - c. are eligible to move; and
 - d. have not violated any Family obligations; and
 - e. do not owe FCHA any money; and
 - f. their current landlord indicates that they are fully lease compliant; and
 - g. are moving at or after the date of their Annual Recertification of Income and Family Circumstances and at the end of their lease term.
2. A family that wants to move with continued assistance must vacate the unit in compliance with the lease and provide proper notice to the owner (as required under the lease) and to FCHA.
 3. Failure to provide such notice will result in termination of assistance due to failure to comply with the family obligation.
 4. Families that want to move must request a moving packet and must attend a move briefing. Priorities for scheduling families for the move briefings are as follows:
 - a. Uninhabitable unit, including catastrophic disasters, uncorrected owner-caused HQS failures, and overcrowding as defined in HQS.
 - b. Disability-related need, as documented by a qualified medical practitioner.
 - c. Mobility moves, defined as moves from neighborhoods impacted by income to neighborhoods not impacted by income.
 - d. Reduction in the family's voucher size that results in the family paying excessive rent.
 - e. Upward change in the family's voucher size that allows the family to lease a larger unit.
 - f. Voluntary moves after the first 12 months of occupancy.
 - g. All other moves.
 5. FCHA will conduct a criminal background check of household members over the age of 17 prior to issuing a moving packet. If the family is eligible to move, has not violated their Program Obligations or Lease Agreement, and does not owe FCHA money, the family will be offered a new voucher to search for another unit.
 6. At any time, FCHA may deny permission to move due to the following if:
 - a. The family does not notify FCHA, and the owner before the family moves out of the unit or terminates the lease.
 - b. The family does not allow FCHA and the owner to inspect/repair the unit at reasonable times and after reasonable notice.
 - c. The family is verified to be responsible for an HQS failure.

⁸ A family with a voucher from another FCHA's jurisdiction could certainly "port" to County, but this would not be a "move".

- d. The family is verified to have committed any serious or repeated violations of the lease.
 - e. The family owes FCHA or another FCHA money for any reason.
 - f. FCHA does not have sufficient funding for continued assistance.
 - g. The family is verified to have violated any Family Obligation.
 - h. For any other HUD-allowed reason.
7. Families who intentionally cause their assisted unit to fail Housing Quality Standards will not be eligible to receive another Housing Voucher to relocate to another unit and will be terminated from the program.
 8. FCHA will not issue a voucher to a family who wishes to move due to an eviction action initiated by the owner. Both the owner and the family are required to notify FCHA whenever an eviction is filed. Housing assistance payments will continue until the court date, unless payments have been abated for owner-caused HQS violations. If the court rules that the family was evicted for violating the terms of the lease, including failure to pay rent, the family is ineligible for further assistance and will be terminated from the HCV program. If the court rules for the family, the family is eligible to receive another voucher.

If the family with permission to move does not locate a new dwelling unit to move into, they will be required to submit an Agreement to Continue the Assisted Tenancy, and the assisted tenancy may be extended for any reasonable period of time mutually agreed upon by owner and tenant. In the absence of the Agreement to Continue the Assisted Tenancy, HAP payments and the HAP contract will terminate at the end of the notice issued by the tenant.

H. Overlapping HAP Payments

If a participant family moves from an assisted unit with continued assistance, the effective date of the assistance at the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of Housing Assistance payments (for the month when the family moves out of the old unit) and the first Housing Assistance Payment for the new unit, is not considered duplicate housing subsidy.

I. Owner Termination of a Participant's Lease: Grounds for Lease Termination

- a. The owner may terminate the lease for serious lease violations at any time.
- b. The owner may terminate the lease for any other reason only after the initial period of the lease.
- c. When an owner terminates a lease for reasons not related to participant lease violations, the family's status will be reviewed and, if the family is in full compliance with family obligations, the family will be issued a Move Packet.
- d. The owner must follow state and local laws and must provide FCHA with a copy of the eviction and/or lease termination notice immediately.

J. Required Notice for Lease Termination

1. Depending upon the terms of the Lease Agreement, the owner may give the tenant a 30-day (or another period) notice to move.
2. Owners are required to follow eviction procedures consistent with their Lease, Addendum to the Lease and HAP contract and must comply with the requirements of

Federal, State, and local law.

3. Owners must give written notice to FCHA of any legal actions and are required to provide FCHA with copies of all court action papers regarding program participants.
4. If the owner initiates an eviction action in accordance with the lease, follows all pertinent laws, files all pertinent actions, and supplies FCHA with copies of all pertinent legal documents, the owner is entitled to HAP payment until the family voluntarily moves or is evicted.
5. The owner must use the lease termination and/or eviction proceedings as prescribed in the lease and contract:
 - a. The owner can institute court action, using the grounds for eviction cited in the lease; or
 - b. The owner can issue proper notice not to renew the Lease Agreement.
6. The owner may not terminate tenancy for FCHA's failure to pay the housing assistance payment, particularly if the HAP has been abated for owner violations of HQS.
- K. Change in Ownership or Property Management Company
 1. FCHA must receive a written request from the owner in order to make changes regarding who is to receive FCHA's HAP payment.
 2. FCHA will process a change of ownership only upon the written request and accompanied by documentation of the title transfer: i.e., recorded deed, legal sale documents, etc.

Section IX. Special Programs, Features and Options

A. HUD's Special Programs

FCHA operates several HCV Programs under special allocations and regulations from HUD. Applicants are admitted to these programs based on the special criteria of each program. FCHA may, with HUD authorization, establish separate waiting lists or open the waiting list only for these programs. When the waiting list is open for target admissions only, FCHA shall only accept applications from qualified Applicants.

Applicants are admitted as a special admission when HUD allocates funding that is targeted for specific types of Families. The existing programs are outlined below.

1. U.S. Department of Housing and Urban Development – Veterans Administration Supportive Housing Program (HUD-VASH)

The HUD-VASH Program assists homeless veterans and their families based on selection by the local Veterans Administration (VA) Office for participation in the HUD-VASH initiative. The program targets homeless veterans who initially agree to work with the VA Office to receive supportive services to assist with becoming self-sufficient. Under the VASH program, restrictions on assistance to persons with certain drug-related and criminal history problems are waived.

FCHA has been awarded nearly 350 VASH vouchers and always strives to keep eligible veterans leased up.

2. Mainstream Housing for Persons with Disabilities

Mainstream tenant-based vouchers are available for Disabled Families. When a voucher under this program becomes available for reissue (e.g., the Family initially

selected for the program terminates assistance or is unsuccessful in their search for a unit), FCHA shall offer the voucher to the next non-elderly Applicant with a Disability on FCHA's Housing Choice Voucher Waiting List that is eligible to receive assistance under this program. The vouchers will be reissued in this manner until the time designated under the announcement through which the allocation was awarded via an Annual Contributions Contract (ACC) expires.

If there is an insufficient pool of Disabled Families on FCHA's Housing Choice Voucher Waiting List, FCHA shall conduct outreach to encourage eligible persons to apply for this special allocation of vouchers. Outreach shall include contacting independent living centers, advocacy organizations for Persons with Disabilities, and social service providers for referrals of persons receiving medical, mental and health services who would benefit from Housing Choice Voucher assistance. Following admittance into the Housing Choice Voucher Program, participants follow all HCV rules and regulations.

3. Preservation Program

Preservation vouchers are available under this program for eligible Families residing in an eligible preservation project as defined by **24 CFR Section 248.157 (c)** on the date of the Landlord's prepayment or voluntary termination. Families are offered tenant-based assistance under the HCV Program if, as the result of a rent increase no later than one year after the date of the Landlord's prepayment or voluntary termination, the Family's rent exceeds thirty percent (30%) of their adjusted income.

The following conditions would qualify for Preservation Vouchers:

- a. Landlord Opt-Outs: Landlords who choose not to renew an expiring HCV or Section 23 project-based contract.
- b. Preservation Pre-Payments: Landlords who choose to pre-pay the HUD insured mortgage or voluntarily terminate the mortgage insurance.
- c. HUD Enforcement Actions: HUD terminates the HAP contract or does not offer the Landlord the opportunity to renew the expiring HAP contract for failure to comply with the terms of the contract.
- d. HUD Property Disposition: HUD becomes the Landlord of the property through foreclosure and is either selling or closing the property.

B. FCHA's Special Programs

1. Project-Based Program (Also see Appendix A on PBV)

FCHA may allocate up to 20% of its Tenant-based Housing Choice Vouchers for special programs under HUD's project-based voucher program. FCHA administers vouchers that are provided to Families under specified criteria. Families that participate in the Project-based Program are eligible to receive a voucher to relocate after one year only if FCHA has sufficient funds to cover the cost of the voucher. Families must provide a written request to relocate.

- a. Project-Based Vouchers for Persons with Special Needs: FCHA may periodically advertise its intent and solicit Landlords and social service providers to provide housing opportunities for Families with special needs.
- b. Project-based Vouchers can only be issued following a Request for Proposals that spells out the target group (if any) to be served and how FCHA will select the proposals to receive PBV.

- c. Project-based Vouchers can be awarded to Low Income Housing Tax Credit Properties without going through the RFP process, since, by definition, an LIHTC property has already been competitively selected.
- d. Rent calculation in the Project-based Voucher program is the same method as that used in public housing – the Total Tenant Payment equals the greatest of 30% of adjusted monthly income, 10% of total monthly income or the FCHA's minimum rent of \$25. When the owner provides all utilities, Total Tenant Payment equals Tenant Rent. If the family pays any utilities directly, Tenant rent equals Total Tenant Payment minus the Utility Allowance. There will never be an instance in which the Gross Rent exceeds the Payment Standard since the Gross Rent is approved in the PBV HAP contract and the Payment Standard does not apply.
- e. FCHA will comply fully with the PBV regulations at **24 CFR Part 983** in the selection of units for PBV and in all aspects of program operation.
- f. When Project-based Vouchers are awarded FCHA continues to have responsibility for maintaining the waiting list and performing annual recertifications and interim adjustments to income.
- g. FCHA will report on all Project-based Vouchers correctly in PIC using section 11 of the HUD 50058 form.

Section X. Termination of Assistance

A. Terminations of Families Based on Program Regulations

FCHA may terminate the assistance of Families at the family request or for any violation of program rules and family obligations including but not limited to the following reasons:

- 1. Families notify FCHA that they wish to voluntarily terminate their assistance.
- 2. No Housing Assistance Payment has been paid on the family's behalf for 180 days (six months).
- 3. No family member certifies to either citizenship or eligible immigration status and does not elect to contest his/her eligible status.
- 4. Any member of the Family refuses to sign and submit the HUD and FCHA required consent form(s) for obtaining information.
- 5. Any family members do not provide their Social Security information and documentation within the time required and specified by FCHA.
- 6. Families move out of their dwelling unit without giving proper written notice to FCHA and their Landlord.
- 7. FCHA determines the Landlord is entitled to payments due to non-payment of rent, damages, or other amounts owed under the Landlord's lease by the Family, and it is verified that the Family has failed to satisfy any such liability.
- 8. The family has not reimbursed FCHA or another FCHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, or if the family breaches an agreement with FCHA to pay amounts owed.
- 9. A family does not report an increase of income or change of family composition as required by this Administrative Plan.

10. The family fails to comply with the requirement to recertify after two notices.

11. Any member of the Family has engaged in drug related criminal activity, or violent criminal activity as outlined in Section IV B.

Criminal activity directly relating to domestic violence, dating violence, sexual assault or stalking shall not be considered cause for termination of assistance for any participant, or immediate member of a participant's family who is the victim of the domestic violence, dating violence, sexual assault, or stalking.

12. Any family member is subject to a lifetime registration requirement under a state sex offender registration program.
13. Any member of the Family has ever been convicted of manufacturing methamphetamine on the premises of Federally assisted housing.
14. Any family member engages in illegal use of a controlled substance.
15. Any family member engages in abuse of alcohol in a manner that threatens the health, safety or peaceful enjoyment of the premises by other residents or neighbors.
16. Any household member illegally possesses weapons.
17. Any member of the Family misrepresents, bribes or commits any other corrupt or criminal act in connection with any federal housing program.
18. Any Family member or guest of the Family engages in or threatens abusive or violent behavior toward Authority personnel.
19. All members of the Family are absent from the unit for more than 14 consecutive days without FCHA and landlord approval.
20. A family is having their lease terminated by their landlord as a result of serious or repeated lease violations or is evicted for serious or repeated lease violation(s).
21. Any family member or guest causes damage to the unit as verified by a FCHA inspection.
22. Any family member engages in violent physical behavior or fights.
23. Any member of the Family has violated any Family Obligation under the HCV Program as outlined in 24 CFR 982.551, as amended.
24. Any other HUD-allowed reason.
25. FCHA may impose, as a condition of continued assistance for other family members, a requirement that the family members who participated in or were culpable for the action or failure will not ever reside in the unit.

B. Participant Termination Notification

In any case where FCHA decides to terminate assistance to the family, FCHA will give both the family and the owner a 30-day written termination notice which states:

1. Reasons for the termination.
2. Effective date of the termination.
3. Family's right to request an informal hearing; and
4. Family's responsibility to pay the full rent to the owner if they remain in the assisted unit after the termination effective date.

The Violence Against Women Act

1. The Violence Against Women and Justice Department Act (VAWA) as revised, protects Families who are victims of domestic violence, dating violence, sexual assault or stalking. In accordance with PIH Notice 2006-42, FCHA will not terminate assistance if it is determined that criminal activity on the part of any Family member is directly related to domestic violence, sexual assault, dating violence, or stalking of a member of the Family's household or any guest or other person under the Family's control.

VAWA defines domestic violence, dating violence, sexual assault, stalking and immediate family member as the following:

2. Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitated with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
3. Dating Violence: Violence committed by a person:
 - a. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - b. where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - 1) the length of the relationship.
 - 2) the type of relationship; and
 - 3) the frequency of interaction between the persons involved in the relationship.
4. Stalking: to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person; (ii) a member of the immediate family of that person; or (iii) the spouse or intimate partner of that person.
5. Sexual Assault: means any nonconsensual sexual act proscribed by Federal or State law, including when the victim lacks capacity to consent. **24 CFR § 5.2003**
6. Immediate Family Member: a spouse, parent, brother, sister, or child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage.

FCHA will notify landlords and HCV participants of the protections provided by VAWA during termination proceedings, Landlord and client briefings, and available information from FCHA staff.

HCV participants requesting protection from termination or eviction for incidents of actual or threatened domestic violence, dating violence or stalking must complete,

sign and submit HUD Form 50066 within 14 business days of notification of the termination or eviction.

D. Terminating FCHA HAP payments

1. The HAP contract will be terminated, and any overpayments of HAP will be recouped on the last day of the month after a tenant has died and no eligible remaining family members are in the unit and/or on the last day of the month after a tenant has vacated the unit, with or without notice to the landlord.
2. FCHA will use public records to verify the date of death.
3. If tenants have abandoned the unit and vacated without written notice to FCHA and/or the landlord, FCHA will use records such as inspection dates, dates of unit being leased or public utility consumption records to verify last month of occupancy.

Section XI. Informal Hearings

A. Situations in which FCHA will offer informal hearings

An **informal hearing** is offered to a participating Family based on FCHA's decision affecting the Family in the Housing Choice Voucher Program in accordance with the procedures described in the following section on Informal Hearings.

FCHA shall give a participant an opportunity for an informal hearing in disputes involving the following determinations:

1. the amount of the total tenant payment or tenant rent.
2. appropriate utility allowance.
3. family unit size under payment standard.
4. termination of assistance.

B. Situations in which FCHA will not offer informal hearings

FCHA is not required to provide an opportunity for an informal hearing to review Authority determinations:

1. that are administrative determinations by FCHA, or to consider general policy issues or class grievances.
2. that a unit does not comply with FCHA's Housing Quality Standards, that the owner has failed to maintain or operate a contract unit to provide decent, safe, and sanitary housing in accordance with the Housing Quality Standards (HQS), (including all services, maintenance, and utilities required under the lease), or that the contract unit is not decent, safe, and sanitary because of an increase in family size or change in family composition.
3. when Authority wishes to exercise any remedy against the owner under an outstanding contract, including the termination of Housing Assistance Payments to the owner.
4. not to approve a family's request for an extension of the term of the Voucher issued to an applicant or an assisted family that wants to move to another dwelling unit with continued participation in FCHA's Housing Choice Voucher Program.

C. Notice to Participant

1. FCHA shall give the participant prompt written notice of the decision made regarding the

above stated issues.

2. The written notice shall contain a brief statement of the reasons for the decision, and a statement that if the participant does not agree with the decision, she/he may request an informal hearing on the decision within ten (10) calendar days from the date of the notice.
3. If the request for an Informal Hearing is not submitted timely, the participant will have waived his/her right to request an informal hearing.
4. If an informal hearing request is submitted within the required timeframe, FCHA will timely schedule the informal hearing and send written notice to the client.
5. The written notice shall contain the date, time, and place where the informal hearing will be conducted.
6. The informal hearing shall occur prior to the date of termination of housing assistance payments unless the tenant has already vacated the unit.
7. If the informal hearing cannot be held before the scheduled date of termination of assistance, assistance will be paid until the hearing has been held and a decision rendered.

D. The Hearing Officer

1. FCHA will designate a hearing officer(s) to conduct the informal hearing.
2. The hearing officer shall be a person other than a person who made or approved the decision under review, or a subordinate of such person.

E. Rights of the Participant

1. The participant must appear in person at the hearing and may be represented by an attorney at his/her own expense.
2. The participant shall have the right to review and copy (at his/her expense) any relevant information relied upon by FCHA.
3. The participant shall have the right to present both oral and written evidence.
4. The participant has the right to question any witnesses deposed herein and the right to argue his or her case prior to the hearing officer's decision.
5. The participant shall have the right to arrange for an interpreter to attend the hearing, at the client's expense. If a participant has a hearing impairment or speaks a language other than English, FCHA will provide an interpreter at FCHA's expense.
6. The participant shall have the right to have the hearing recorded by audiotape at the client's expense subject to the hearing officer's discretion.
7. The participant shall have the right to seek redress directly through judicial procedures of the court after receipt of the hearing officer's decision.

F. Rights of the Housing Authority

1. FCHA may be represented by an attorney at the informal hearing.
2. FCHA may introduce evidence, both oral and written.
3. FCHA shall have the right to question any witness examined in the informal hearing and to make final submissions.

FCHA shall have the right and must be given the opportunity to pre-hearing discovery, at Authority offices, of any family documents directly relevant to the hearing.

5. FCHA must be allowed to copy any such document at FCHA's expense.
6. If the family does not make the document available for examination on request of FCHA, the family may not rely on the document at the hearing.

G. Conduct of the Informal Hearing

1. The hearing officer will regulate the conduct of the hearing in accordance with hearing procedures commonly accepted and followed.
2. If the participant fails to appear at the hearing without prior request to re-schedule the hearing based on legitimate and allowable grounds or is more than 10 minutes late for the scheduled hearing, the matter will be decided ex-parte, or dismissed forthwith with no right for its restoration.
3. Participants may not re-schedule a hearing more than once.

H. The Decision

1. Factual determinations relating to the individual circumstances of the participant shall be based on the evidence presented at the hearing.
2. The decision shall be in writing and based on the evidence, HUD regulations, Authority policies and rules, and any applicable law.
3. The decision shall briefly state the reasons on which the decision is arrived.
4. A copy of the decision shall be furnished promptly to the participant, but in most instances no more than 14 business days from the date of the hearing.

I. Situations in which Informal Hearing Decisions are not binding on the FCHA

FCHA is not bound by a hearing decision on the following matters:

1. A matter for which FCHA is not required to provide an opportunity for an informal hearing or otherwise in excess of FCHA of the person conducting the hearing under these hearing procedures.
2. A decision is rendered that is contrary to HUD regulations, requirements or otherwise contrary to Federal, State, or Local law or to FCHA's policies and procedures.

If FCHA determines that it is not bound by a hearing decision, FCHA shall promptly notify the participant of the determination, and the reasons for the determination.

Section XII. Process for Program Reduction when HUD Budget Authority is Insufficient

FCHA will adopt measures at the direction of the Executive Director to manage program operations within the guidelines of HUD's regulations and within the funding HUD makes available.

As a last resort, FCHA will terminate HAP contracts, in accordance with HUD requirements, if it is determined that funding appropriated under the consolidated Annual Contributions Contract (ACC) is insufficient to support continued assistance for Families in the program. **24 CFR § 982.454.**

A. Determination to Terminate HAP Contract(s)

HAP contracts will not be cancelled until all rents to owners have been reconciled to rent reasonableness.

Before any contracts are cancelled for families who are in full compliance with their leases and the programs' "Family Obligations", FCHA shall terminate assistance to participants who have violated the Family Obligations or otherwise violated the requirements for program participation.

No action will be taken to cancel the HAP contracts of Elderly or Disabled Families.

FCHA will review the dollar value of contracts that must be terminated in order to operate the program within budgetary limits. FCHA will document the determination before any contracts are cancelled on the basis of insufficient funding. The review will include but is not limited to:

1. an analysis of the amount of rent paid by each Family; and
2. an analysis of the length of time each Family has been participating (in succession) on the program with a correlation of the income of each Family and the amount of rent paid.

FCHA will utilize a random lottery selection process to determine which families will be terminated from the program.

B. Order of Termination/Withdrawal

FCHA will utilize the following order by priority for the termination of housing assistance and withdrawal of housing opportunities in the instance of insufficient funding.

1. Families that have been issued vouchers but have not yet located housing for which a HAP is paid.
2. Families that are in violation of HCV Family Obligations.
3. Families that have been identified pursuant to the direction of the ED as noted in Section XIII A.

C. Resumption of Assistance for Impacted Families

1. FCHA will document the names of every Family terminated from the HCV program due to insufficient funding and maintain these names on a Waiting List. When funding is available, FCHA will offer vouchers to these Families before Applicants on the HCV Housing Choice Voucher Waiting List.
2. FCHA will initially resume housing assistance for Families with cancelled HAP contracts followed by Families with vouchers withdrawn before contracts were initiated.
3. Families that have been without housing assistance for six (6) months must be screened to ensure their continued eligibility.

8. Section XIII. Determining Income and Rent

9. Annual Income 24 CFR § 5.609(a)

Annual income includes, with respect to the family:

38. Individual with Disabilities, Section 504 definition 24 CFR § 8.3

Section 504 definitions of Individual with Handicaps and Qualified Individual with disabilities are not the definitions used to determine program eligibility. Instead, use the definition of "Person with Disabilities" as defined later in this section. Note: The Section 504, Fair Housing, and Americans with Disabilities Act (ADA) definitions are similar. ADA uses the term "individual with a disability".

Individual with disabilities means any person who has:

A physical or mental impairment that:

- a. substantially limits one or more major life activities.
- b. has a record of such an impairment; or
- c. is regarded as having such an impairment.

For purposes of housing programs, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

Definitional elements:

— "Physical or mental impairment" means any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term "physical or mental impairment" includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

"Major life activities" means functions such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

"Has a record of such an impairment" means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

is regarded as having an impairment” means has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation; or

Has a physical or mental impairment that substantially limits one or more major life activities only as result of the attitudes of others toward such impairment; or

Has none of the impairments defined in this section but is treated by a recipient as having such an impairment.

NOTE: A person would be covered under the first item if FCHA refused to serve the person because of a perceived impairment and thus “treats” the person in accordance with this perception. The last two items cover persons who are denied the services or benefits of FCHA’s housing program because of myths, fears, and stereotypes associated with the disability or perceived disability.

The 504 definitions of disability does not include homosexuality, bisexuality, or transvestitism because these are not disabilities. Note: These characteristics do not disqualify an otherwise disabled applicant/resident from being covered.

The 504 definitions of individual with disabilities is a civil rights definition. To be considered for admission to public housing a person must meet the program definition of person with disabilities found in this section.

39. Kinship care - an arrangement in which a relative or non-relative becomes the primary caregiver for a child or children but is not the biological parent of the child or children. The primary caregiver need not have legal custody of such child or children to be a kinship caregiver under this definition. A family member can qualify as a live-in aide, although a family member who already lives with the family cannot qualify as a live-in aide since they are already living in the unit.

Before admitting a live-in aide to an HCV family, FCHA shall verify through a qualified medical practitioner:

- a. That the person requesting the live-in aide meets the definition in the Section of “individual with a disability; and

- c. That the live-in aide selected (whether a family member or not) is capable of providing the services the family member with a disability need.
