ADMISSIONS AND CONTINUED OCCUPANCY POLICY

The Fayette County Housing Authority complies with HUD's regulations governing its programs. The U.S. Department of Housing and Urban Development (HUD) has established certain regulatory requirements applicable to Low Income Housing, that are generally set forth in Title 24 of the Code of Federal Regulations (24 CFR), Parts 5, 8, 100, 290, 401, 402, 880, 886, 960, 964, 965 and 966. If there is any conflict between HUD's regulations and this policy, the HUD regulations will govern. In addition to Low Rent Public Housing, certain sections of this policy apply to other types of low income housing owned, managed or developed or, potentially to be developed by the Housing Authority (hereafter FCHA) such as HUD multifamily housing, project-based Section 8 housing, project-based voucher housing and Low Income Housing Tax Credit units. When Federal guidance is inconsistent, statute shall take highest priority, regulations second priority, handbooks third priority and other HUD guidance last priority.

In its management of the multifamily project-based Section 8 housing that FCHA owns or will own, it will comply with HUD's regulations and guidance governing such housing. If HUD's regulations and guidance for multifamily housing conflict with those governing the management of public housing FCHA will comply with the HUD rules applicable to the type of housing owned and managed. FCHA's staff are aware of which of its properties and units are public housing, multifamily housing and project-based voucher housing and, consequently, which rules and guidance apply.

This policy references certain procedures (shown in *italic type*), that describe in detail how the policy is to be carried out by staff. The procedures are extensions of the policy document referenced. All procedures are public documents and are available for review upon request.

I. Nondiscrimination

A. Complying with Civil Rights Laws

1. Civil rights laws protect the rights of applicants and residents to equal treatment by the Housing Authority in operating its programs. It is the policy of the Fayette County Housing Authority (FCHA) to comply with all Civil Rights laws now in effect and subsequently enacted, including but not limited to:
 - a. Title VI of the Civil Rights Act of 1964, which forbids discrimination on the basis of race, color, religion, national origin or sex; **24 CFR §§ 1 and 100**
 - b. Title VIII of the Civil Rights Act of 1968 (as amended by the 1974 HCDA and the Fair Housing Amendments Act of 1988), which extends protection against discrimination based on disability and familial status, and spells out forms of prohibited discrimination; **24 CFR § 100**
 - c. Executive Order 11063,
 - d. Section 504 of the Rehabilitation Act of 1973, which describes specific housing rights of persons with disabilities; **24 CFR § 8**
 - e. Age Discrimination Act of 1975, which establishes certain rights of the elderly; **24 CFR § 146**
 - f. Title II of the Americans with Disabilities Act, otherwise Section 504 and the Fair Housing Amendments govern (Title II deals with common areas and public space, not living units, which are covered by Section 504.)
 - g. Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity
 - h. Any applicable State laws or local ordinances.

2. FCHA shall not discriminate because of race, color, national origin, sex, religion, familial status, disability, sexual orientation or gender identity in the leasing, rental, occupancy, use, or other disposition of housing or related facilities, including land, that is part of a development under the FCHA's jurisdiction covered by a public housing Annual Contributions Contract with HUD. **24 CFR § 100**
3. FCHA shall not discriminate against individuals entitled to protections under the Violence Against Women Act, nor will FCHA take any retaliatory actions against individuals who report crimes including domestic violence or other actions covered by the Violence Against Women Act.
4. FCHA shall not deny admission to otherwise qualified applicants because of their membership in some group to which negative behavior may be imputed (e.g., families with children born to unmarried parents). Instead, each applicant who is a member of a particular group will be treated as an individual based on his or her history and behavior. **24 CFR § 960.203(a)**
5. FCHA will work continuously to affirmatively further fair housing and to remove impediments to housing choice by members of protected classes;
6. FCHA will offer units only in the order prescribed by this policy, since any other method violates the rights of applicants.

B. Reasonable Accommodations

1. FCHA, as a public agency that provides affordable housing to eligible families, has a legal obligation to provide "unit modifications" and "reasonable accommodations" to applicants and residents if they or any family members have a disability. **24 CFR § 8.4**
2. A unit modification is some adaptation or change FCHA can make to its apartments, buildings, or sites. A reasonable accommodation is a modification FCHA can make to its methods and procedures (but not Federal law, regulations or FCHA policies). Both unit modifications and reasonable accommodations are carried out to assist an otherwise eligible applicant or resident with a disability to take full advantage of and use FCHA's programs, including those that are operated by other agencies in FCHA-owned public space. **24 CFR § 8.20**

A modification or accommodation is not reasonable if it: **24 CFR § 8.21(b) and 24 CFR § 8.24(a)(2)**

- a. Causes an undue financial and administrative burden; or
 - b. Represents a fundamental alteration in the nature of FCHA's program.
3. Subject to the undue burdens and fundamental alterations tests, FCHA will correct physical situations or procedures that create a barrier to equal housing opportunity for all. To permit people with disabilities to take full advantage of FCHA's housing program and non-housing programs, in accordance with Section 504 and the Fair Housing Amendments Act of 1988, FCHA shall comply with all requirements and prohibitions in applicable law. **24 CFR § 8.4**
 4. Facilities and programs used by applicants and residents shall be accessible to persons using wheelchairs, persons with sensory impairments and other persons with disabilities. Application and management offices, hearing rooms, community centers, day care centers, laundry facilities, craft and game rooms, etc. (to the extent that the FCHA has such facilities) will be usable by residents with a full range of disabilities. If FCHA offers such facilities, and none is accessible, some¹ will be made so, subject to the undue financial and administrative burden test. **24 CFR § 8.2**
 5. Documents and procedures used by applicants and residents will be accessible for those with vision, hearing or other sensory impairments. Also, all documents will be written simply

¹ It is not required that all public and common areas be made accessible so long as persons with disabilities have full access to all the types of facilities and activities available to persons without disabilities. Thus, not all laundry facilities need to be accessible so long as there are sufficient accessible laundry facilities for use by persons with disabilities at each development that provides laundry facilities.

and clearly to enable applicants with learning or cognitive disabilities to understand as much as possible. **24 CFR § 8.6**

6. Examples of reasonable accommodations include, but are not limited to: **24 CFR §8.4**
 - a. Making alterations to a FCHA apartment to make it fully accessible so it could be used by a person in a wheelchair;
 - b. Transferring a resident (at FCHA's expense) who needs a fully accessible unit from an apartment that cannot be made accessible to an apartment that is accessible (this may require moving the resident from one property to another);
 - c. Widening the door of a community room or public restroom so a person in a wheelchair may use the facility;
 - d. Adding or altering apartment or building features so they may be used by a family member with a disability, including but not limited to;
 - 1) Installing strobe-type flashing light smoke detectors and flashing light/doorbell for a family with a hearing impaired member;
 - 2) Adding structural grab bars in the bathroom;
 - 3) Changing the doorknobs to lever-type door handles;
 - 4) Installing a magnifier over the thermostat;
 - 5) Switching the bathtub to a shower;
 - 6) Lowering the peephole on the door;
 - e. Permitting a family to have a large dog to assist a family member with a disability in a FCHA family development where the size of dogs is usually limited; **24 CFR § 8.20**
 - f. Making sure that FCHA processes are understandable to applicants and residents with sensory or cognitive impairments, including but not limited to: **24 CFR § 8.6**
 - 1) Making large type documents, Braille documents, cassettes or a reader available to an applicant or resident with a vision impairment during interviews or meetings with FCHA staff;
 - 2) Using personal visits, interviews or telephone calls to convey information to an applicant or resident who cannot see or read;
 - 3) Making a sign language interpreter available to an applicant with a hearing impairment during interviews or meetings with FCHA staff;
 - 4) Permitting an applicant or resident to be accompanied or represented by a family member, friend or advocate at all meetings and interviews with FCHA if the individual desires such representation;
 - 5) Permitting an outside agency or individual to assist an applicant with a disability to meet the FCHA's applicant screening criteria.
7. To meet the standard of HUD's definition of "Qualified Individual with a Disability" a family head or other member with a disability must still be able to meet essential obligations of tenancy. They must be able: **24 CFR § 8.3**
 - a. to pay rent and other charges (e.g. utility bills) as required by the lease in a timely manner;
 - b. to care for and avoid damaging the apartment and common areas; to use facilities and equipment in a reasonable way;
 - c. to create no health, or safety hazards, and to report maintenance needs
 - d. not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
 - e. not to smoke in a FCHA unit, common areas or anywhere on FCHA property;
 - f. not to engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and

- g. to comply with necessary and reasonable rules and program requirements of HUD and the FCHA.

But there is no requirement that they be able to do these things without assistance.

- a. If an applicant or resident family member needs assistance with one of the essential obligations of tenancy, FCHA will, as a reasonable accommodation, make a referral to an individual or agency that can provide such assistance. **24 CFR § 8.20**
- b. If an applicant or resident receives a referral to an agency or individual who can assist the applicant or resident with complying with the essential obligations of tenancy, the applicant or resident is not obligated to accept the service, but if refusing service results in a lease violation, FCHA may terminate the lease. **24 CFR § 8.2**
- c. An applicant or resident family with a member who has a disability and needs or wants a reasonable accommodation may request it at any time. **24 CFR § 8.20**
- d. If an applicant or resident would prefer not to discuss his/her disability with the FCHA, that is his/her right.
- e. Any request that requires a certified verification, must be submitted directly to FCHA by the qualified person making the certification.

C. Providing Information in Languages other than English for persons with Limited English Proficiency

1. For persons with Limited English Proficiency (LEP), language can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin.
2. FCHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).
3. The specific methods FCHA will use to accomplish this policy:
 - a. All forms, written materials and recorded voice-mail messages used to communicate with prospective applicants, applicants and residents shall be available in any language spoken by the lower of 1000 eligible families or five percent of the eligible population of the FCHA's jurisdiction. This includes documents related to intake, marketing, outreach, certification, reexamination and inspections.
 - b. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with FCHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.
 - c. In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the FCHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.
 - d. The FCHA will provide written translations of other vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served. Translation of other documents, if needed, can be provided orally.

II. Eligibility and Intake

A. Applications

1. FCHA will accept and process applications (including transfer applications) in accordance with applicable HUD Regulations. Except for qualification for preferences, FCHA will make

11. If the head of an applicant household dies while the family is on the waiting list, and the family includes another adult, FCHA will change the application to make the other adult the new applicant so long as the family reports the death within 30 days and requests that another adult family member be named the head.

C. Affirmative Fair Housing Marketing and Outreach Procedures

1. FCHA will conduct affirmative marketing as needed to ensure that the waiting list includes a mix of Applicants with races, ethnic backgrounds, ages and disabilities proportionate to the mix of those groups in the eligible population of its area of operation. FCHA will review the factors regularly to determine the need for and scope of marketing efforts.
2. All marketing efforts will include outreach to those least likely to apply. FCHA may designate sites for accepting applications. FCHA staff will be available at these sites to assist Applicants in completing the housing application documents. If additional applications are required to attain any of the objectives established in this Policy, FCHA will engage in outreach efforts directed toward potential Applicants who might fulfill the need.

D. Income Targeting Requirements

FCHA will ensure that at least 40 percent of Families admitted to public housing in any year have incomes at or below the Federal “extremely low income” limit. HUD establishes income limits and revises them annually to ensure that federal rental assistance is provided only to low-income families. Except under limited circumstances, the Applicant Family’s Annual Income must not exceed the applicable income limit that HUD establishes and publishes for each county or Metropolitan Statistical Area (MSA) in the country. - e. FCHA's standards on criminal activity require that neither the Applicant nor any adult family member:

1) Has been convicted of manufacturing or producing methamphetamine on the premises of any HUD-assisted housing. HUD regulations require that FCHA permanently bar any individual with such a conviction;

2) Is subject to a registration requirement under any State sex offender registration program. HUD regulations require that FCHA permanently bar any individual subject to such lifetime registration requirements;

3) Has been evicted because of drug-related criminal activity from housing assisted under the U.S. Housing Act of 1937 or convicted of drug-related criminal activity for a minimum of 5 years beginning on the date of such disposition. This requirement may be waived if:

a) The eviction/conviction was for drug use or possession and, since the eviction/conviction, the relevant member of the Applicant Family has successfully completed a supervised drug rehabilitation program licensed and approved by the Commonwealth of Pennsylvania. To demonstrate completion, the Applicant must provide a certificate of completion issued by the agency responsible for treatment. If the Applicant entering FCHA's program is from another state, FCHA will verify the Applicant has successfully completed a state approved supervised program from the Applicant's state of origin; or

b) the circumstances leading to the eviction no longer exist (for example, the individual involved in drugs is no longer a member of the family).

c) This waiver is not available to a person who was evicted for selling, trafficking, producing or manufacturing illegal substances.

4) Is currently engaged in the illegal use of controlled substances, or engaging in conduct that presents a pattern of illegal use of controlled substances.

This requirement may be waived if the Applicant demonstrates to FCHA's satisfaction that the relevant member of the Applicant Family no longer engages in the illegal use of the controlled substance(s) (see Section e.7.a) below).

5) Has a history of engaging in violent crimes to persons or property and/or other criminal acts that would adversely affect the health, safety or welfare of other residents or FCHA personnel;

6) Has ever been convicted of arson or any crime of violence against a child.

7) Is on parole or probation for drug-related crimes, violent crimes or crimes that threaten the health, safety and/or general wellbeing of the community. The evidence of probation or parole for the aforementioned crimes maybe waived if the following criteria applies:

a) An Applicant is currently on probation or parole for an offense (except regulatory exclusions) that occurred prior to the five-year time-frame, and the Applicant can provide documentation from their probation or parole officer that all conditions of probation or parole are being met satisfactorily with no violations.

b) An Applicant has completed probation or parole for an offense (except regulatory exclusions) that occurred prior to the five-year timeframe, and the Applicant can

⁸ Exceptions can be made when the amount of rent plus utilities exceeds 50 percent of the applicant's adjusted monthly income.

provide documentation from their probation or parole officer that all conditions of probation or parole have been met satisfactorily with no violations.

- 8) Applicant must have no history of misrepresenting information relative to eligibility, income, allowances, family composition or rent;
- 9) Applicant must have no history in the past 5 years of disturbing neighbors, destroying property, or negative living and housekeeping habits at prior and/or current residences;

I. Determination of Eligibility and Notification of Applicants

1. Once FCHA receives a completed application, the unverified income eligibility of the Applicant will be determined by FCHA **based upon the application information**.
2. Applicant screening and verification of income, family composition, citizenship /immigration status, social security numbers, preferences and allowances will not take place until the Applicant is within estimated 120 days of receiving a unit offer. FCHA will then verify all information related to eligibility for admission, receipt of subsidy and rent.
3. Each eligible Applicant will receive **a letter** of his/ her eligibility and of the approximate date he or she will be offered housing, **although the letter will make clear that this date is just an estimate**. A copy of this **letter** will be retained in the Applicant's file.
4. Each Applicant determined to be ineligible or unqualified for admission will be notified in writing of the reason(s) for the determination and the Applicant's right to submit a written request for an informal hearing within ten (10) calendar days of the date the notice is postmarked.

FCHA will provide the Applicant with a copy of any information (including criminal history) FCHA used to determine the Applicant ineligible or unqualified for admission upon written request.

4. Applications withdrawn by the Applicant or FCHA, applications submitted by ineligible or unqualified applicants, and the notice of ineligibility will be retained in FCHA files for three (3) years following the date of the withdrawal or rejection of the application.
5. Applications will be withdrawn by FCHA when an applicant fails to respond to a request for information, or to attend a meeting, briefing or appointment or when letters or notices sent to the applicant are returned because the applicant is no longer at the address of record. So long as the communications sent by FCHA used first class mail or other method requested by applicants with disabilities, applicants shall not be entitled to informal hearings for withdrawn applications.

J. The Preference System for Public Housing and Multifamily Housing Units

Preferences establish the order of applicants on the waiting list. Every applicant must still meet FCHA's Selection Criteria before being offered an apartment. Preferences will be granted to applicants who are otherwise qualified and who, at the time of the offer (immediately prior to execution of a lease), are verified to meet one of the definitions of the preferences described below. **24 CFR § 960.206**

1. Local Preferences

There are **two** local preferences in effect. An applicant will qualify for a preference if he/she qualifies in one or more of the following categories, but all applicants in the #1 category – **Veterans**, will receive unit offers before any applicants in the #2 category – **Residents of Fayette County**. (that are defined Chapter XIII, Definition of Terms):

- #1 Preference: **Veteran's Preference: Veterans who have been honorably discharged from U.S. military service and the spouses of deceased veterans qualify for this admission preference..**
- #2 Preference: **Residents of Fayette County: Otherwise eligible families and individuals who, at the time of application either live in Fayette County, have an adult member who**

works in Fayette County, or have an adult member who can verify that he/she has been hired to work in Fayette County

Applications will be sorted as follows:

- a. Veterans who are residents of Fayette County, sorted by date of application or application number
 - b. Veterans who are NOT residents of Fayette County sorted by date of application or application number
 - c. Non-veteran residents of Fayette County sorted by date of application or application number
 - d. Non-veterans who neither live, work or have been hired to work in Fayette County sorted by date of application or application number.
2. Families that do not qualify for one of these preferences and all applicants to multifamily properties will be categorized as “no-local-preference” applicants;
 3. Sorting among applicants with equal Local preferences will be by date and time of application.

K. Factors other than Preferences that affect selection of Applicants

1. Accessible units: For UFAS accessible units, resident and applicant families that include a member with a disability who is verified to need the features of such units shall be given preference for admission over a family that does not include a member with such a disability. Further, persons needing more features of a specific unit will be given preference over persons needing fewer features of the units available.

When a UFAS accessible unit becomes available, it shall be offered first to a current resident who needs the features of the unit and second (only if there are no residents who need the features and will accept a transfer) to an applicant family with a member who needs the accessibility features.

2. Income targeting: At least 40 percent of public housing admissions in every year shall be families of Extremely Low Income (as defined in Chapter XIII, Definition of Terms).
3. Designated Housing: FCHA has several buildings and parts of properties that are designated for occupancy only by elderly or near-elderly families. These include the following:
 - a. H. J. Mulligan Manor – All 63 units
 - b. White Swan Apartments – All 47 units
 - c. Marshall Manor – All 97 units
 - d. Belle Vernon Apartments – All 150 units
 - e. East View Terrace – 12 units
 - f. C. E. Hess Terrace – 11 units
 - g. South Hill Terrace – 18 units

4. Deconcentration: If at any time, one of FCHA’s family (non-elderly) public housing properties has an average tenant income greater than 15 percent higher than the FCHA-wide average income, extremely low and very low income applicants will be targeted for admission until it is within 15 percent of FCHA-wide average income. In addition, FCHA will offer voluntary transfers from higher income properties to lower income properties to help achieve deconcentration goals. It is not practical to try to attract higher income applicants to the lower income properties because there are virtually no higher income applicants to attract.

L. Records Management

Information received by FCHA from any agency regarding drug treatment and criminal background shall be handled as required by HUD regulations.

All criminal records are maintained in a secured environment. Once the purpose for which the records were obtained is completed, the records are permanently destroyed by shredding.

M. Occupancy Guidelines: **HUD Notice of Policy, Dec. 18, 1998 Federal Register**

1. Apartments shall be occupied by families of the appropriate size. This policy maintains the usefulness of the apartments, while preserving them from excessive wear and tear and under-utilization.

Minimum and Maximum-Number-of-Persons-Per Unit Standard		
<u>Number of Bedrooms</u>	<u>Min Persons/Unit</u>	<u>Max Persons/Unit</u>
	(Largest Unit Size)	(Smallest Unit Size)
0BR	1	1
1BR	1	2
2BR	2	4
3BR	3	6
4BR	5	8
5BR	7	10

2. The following principles govern the size of apartment for which a family will qualify. Generally, two people are expected to share a bedroom. The guidance below explains how FCHA determines unit sizes to be assigned, but each family, not FCHA, decides exactly who shares a bedroom. Units will be so assigned that:

- a. Children **younger than age 18** and adults will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
- b. Two children of the same sex will be assigned one bedroom, **unless the difference between their ages is 5 or more years, in which case they will be assigned separate bedrooms**, but may be offered a unit one bedroom larger to reduce vacancies;
- c. Two children of the opposite sex will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
- d. Two adults (eighteen and older) of the same sex are assigned each assigned one bedroom **unless they are in a spousal relationship, in which case they will be assigned one bedroom**;
- e. Two adults (eighteen and older) of opposite sex who are spouses are assigned one bedroom. If they are co-heads, they will be assigned bedrooms based on their relationships;
- f. Adults (eighteen and older) of opposite sex who are not spouses or co-heads of household are assigned separate bedrooms although the actual use of bedrooms is determined by the family
- g. A single head of household parent will be assigned a separate bedroom from his/her child, although the actual use of bedrooms is determined by the family.
- h. Exceptions to the largest permissible apartment size may be made when verified to be needed as a reasonable accommodation for a person with disabilities.
- i. An unborn child will be counted as a person in determining apartment size assigned;
- j. FCHA will count for unit size determination a child who is temporarily away from the home because the child has been placed in foster care, kinship care, or is away at school, so long as it can be verified that the child will be living with the family if they are admitted.
- k. **FCHA will count for unit size determination a child for whom an adult has less than 51% custody but who will live in the unit at least part of the time.**
- l. A live-in aide may be assigned a bedroom if a unit of the right size is available. Single elderly or disabled residents with live-in aides will be assigned one or two bedroom units (not efficiency units).
- m. FCHA reserves the right to relax these Occupancy Standards at hard-to-lease properties

although not by more than one bedroom size.

- n. The Local Housing Code of two persons per bedroom is the standard for the smallest apartment a family may be offered ⁹.
- o. The largest apartment size that a family may be offered would be one bedroom per family member, considering family size and composition.

III. Tenant Selection and Assignment Plan

A. Organizing the Applicant Waiting List

1. Site-based Waiting Lists

FCHA has established sited-based waiting lists for public housing and site-based waiting lists for tax credit properties if any:

- a. All mixed finance properties have site-based waiting lists as do the Section 8 multifamily and Project-based properties.
 - b. The preferences described earlier in this Policy will be used to establish the order of each site-based waiting list and all applicants will retain their initial date and time of application/application number in the conversion.
2. Every applicant for public housing will be permitted to select up to three properties with units of the appropriate size for their family on which to be wait-listed. Alternatively, an applicant can choose “first available unit”, which means the applicant will be on every site-based list that has units of the appropriate size.
3. If an applicant refuses a unit offer, either at a property the applicant has selected or, if the applicant chose “first available unit”, the applicant will be removed from all waiting lists. The applicant may re-apply so long as applications are being accepted **no earlier than 6 months after refusing a unit offer**.

B. Making Unit Offers to Transferees and Applicants

- 1. Certain transferees (categories B.1.3.a. and b.1) and b.2) will receive offers of housing before applicants from the waiting list.
- 2. In all offers FCHA shall not discriminate on grounds of race, color, sex, religion, national origin, disability, sexual preference, gender identity or familial status.
- 3. Specifically, the following order of offers applies:
 - a. Emergency transfers; **24 CFR § 966.4 (h)**
 - b. Administrative transfers in the following category order:
 - 1) Priority 1: Reasonable accommodations for residents with disabilities **24 CFR § 8.4.** ;
 - 2) Priority 2: FCHA actions that require a unit to be vacated. Such actions could include renovation, revitalization, demolition or disposition of the building or complex
 - 3) New Admissions from the waiting list;
 - 1. **Priority 4: Unit too large or too small for resident family 24 CFR § 966.4(c)**
- 4. To assure equal opportunity and nondiscrimination on grounds of race, color, sex, religion, sexual preference, gender identity, national origin, disability or familial status, PLAN “A”, the one-offer plan, will be used to make apartment offers to applicants or transferees from waiting lists. This means each applicant or transferee will receive one offer of a unit that is the right size and type for their family. **24 CFR § 1.4(2)(ii)**
- 5. The first qualified applicant or transferee in sequence on the waiting list is made one offer of

⁹ Individual apartments with very small or very large bedrooms or other specific situations that inhibit or encourage lower or higher levels of occupancy may be permitted to establish lower or higher occupancy levels so long as the occupancy levels will not discriminate on the basis of familial status.

an apartment of appropriate size and type at a property he/she selected.

6. An applicant/transferee must accept the vacancy offered **within 3 days** or be removed from the waiting list unless the applicant refuses the offer with Good Cause.
7. FCHA will first match the apartment available to the highest ranking applicant for an apartment of that size, type and special features (if any). Preferences will then be used to determine the order of selection from the waiting list. If two applicants need the same type and size of apartment and have the same local and ranking preference status, the applicant with the earliest date and time of application/lowest application number will receive the earlier offer. **24 CFR § 960.206(c)**.
8. If an applicant family's size changes while on the waiting list, the family is required to contact FCHA so they can be placed on the correct sub-list by unit size. If FCHA discovers that a change in family size means that a family cannot be processed for a certain vacant unit, the family will be transferred to a list for the correct size of unit. Some sites may not have units of the size needed by the family and the family will be permitted to select a different site or up to 3 sites.
9. When application processing is delayed because of missing verifications or inconclusive screening information, a family's application will be suspended for up to 60 days until the necessary verifications are received. This means that a person who is lower on the waiting list may receive a unit offer before a person who is higher on the waiting list. As soon as the necessary verification(s) are received, the suspended application will be placed back on the waiting list in its former position
10. If an adult applicant family member is verified to have an open (unresolved) arrest for either violent or drug related criminal activity, the application will be suspended for up to one year or until the arrest is resolved by acquittal, dismissal, conviction or guilty plea. The applicant is responsible for keeping FCHA's Intake department informed of the status of all such open arrests.
11. The applicant must accept any apartment offered within three (3) calendar days of the later of the date the offer is communicated (by phone, mail, or the method of communication designated by an applicant with disabilities) or the date they are shown the apartment or an equivalent apartment.
12. If the applicant does not accept the unit offer within three (3) calendar days, he/she will be withdrawn from all waiting lists unless the applicant has refused the offer for "good cause", defined below. Applicants may not receive an offer for public housing for 12 months from the date when they either refused a unit offer or failed to respond to a unit offer.
13. All offers made over the phone will be confirmed by first class letter¹⁰.
 - a. If more than one apartment of the appropriate size and type is available, the first apartment to be offered will be the apartment that is or will be ready for move-in first.
 - b. If two units are ready for move-in on the same day, the first apartment to be offered will be the apartment that became vacant first.
14. The following are a list of "good cause" reasons why an applicant may refuse a unit offer without being removed from the waiting list:
 - a. The unit offered is not ready for move-in at the time of the housing offer. "Ready for move-in means the apartment has no UPCS deficiencies and is broom clean.
 - b. The unit offered is not at one of the three properties selected by the applicant¹¹;
 - c. The unit has lead-based paint and the family has children under age 6;
 - d. The family demonstrates that accepting the offer will place a family member's life, health or safety in jeopardy. The family must provide specific and compelling documentation such as restraining orders, other court orders, or risk assessments from

¹⁰ Or by the communication method requested by an applicant with disabilities

¹¹ This reason does not apply to applicants who have chosen "first available unit"

a law enforcement agency;

e. The offer is made to achieve deconcentration of poverty in compliance with 24 CFR § 903.2 and the family does not want to accept the deconcentration offer;

f. A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (each as listed on final application) or live-in aide necessary to the care of the principal household member;

g. The applicant family has a member with disabilities and the unit is not suitable for the member's disabilities;

h. The apartment has accessible features the family does not need and the family does not want to be subject to a 30-day notice to move; or

i. An elderly or near-elderly family makes the decision not to occupy or accept occupancy in designated housing; or

j. The applicant is serving on a sequestered jury and cannot move at the present time;

C. Accessible Units

1. Before offering an accessible apartment¹² to a non-disabled applicant, FCHA will offer such units:

a. First, to a current public housing resident with a disability that requires the greatest numbers of the special features of the vacant apartment. ¹³**24 CFR § 8.27(1) (a)**

b. Second, to an eligible qualified applicant on the waiting list having a disability that requires the greatest number of special features of the vacant apartment. **24 CFR § 8.27(1) (b)**

2. When offering an accessible/adaptable apartment to a non-disabled applicant, FCHA will require the applicant to agree to move to an available non-accessible apartment within 30 days when a current resident or an applicant with a disability needs the apartment. This requirement is also reflected in the lease. **24 CFR § 8.27 (2)**

3. If an applicant family includes a member with a visual or hearing impairment, the FCHA will quickly retrofit the unit (at FCHA's cost) to be offered to the family to make it fully accessible for the family member's disability whether or not two percent of the property's units are already accessible for persons with hearing or vision impairments.

D. Administering the Applicant and Transfer Waiting Lists

1. Applications for admission and transfer to and within public housing properties (including public housing units at tax credit properties) will be processed centrally by the Intake and Placement Office. Initial intake, waiting list management, screening, and assigning of housing (including transfers) will be made from the Intake and Placement office. Offers may be made in person, in writing or by phone from the central office.

2. Note: FCHA will be in charge of the application and transfer at process for ALL public housing units/properties. Applications for admission to the market rate units at Low Income Housing Tax Credit properties will be processed by site staff and audited monthly by FCHA.

E. Transfers

FCHA has two possible types of transfers: Emergency and Administrative. The definition of each is found in the Transfer section.

1. Certain transfers take precedence over new admissions (See paragraph B.1 of this section).

2. Tenants on the transfer list may refuse transfer offers for the "good cause" reasons without losing their position on the transfer list.

3. Tenants who refuse a transfer offer without good cause will be removed from the transfer list

¹² An accessible unit is one that has been designed for use by a person using a wheelchair

¹³ So a family with a member who uses a wheelchair will be offered an accessible unit before a family that needs a roll-in shower but has not members who use wheelchairs.

and tenants whose transfers are mandatory are subject to lease termination. **24 CFR § 955.4(c)**

4. Tenants may use the FCHA Grievance Procedure if FCHA is requiring them to transfer and they do not want to do so. **24 CFR § 966.50**

F. Monitoring Tenant Selection and Assignments

Detailed records of units offered, including the location, date, and circumstances for each acceptance, or refusal of an offer will be maintained and monitored.

G. Fair Housing

1. Complaints: FCHA will respond to all complaints received from Applicants and tenants who believe that their rights under the Fair Housing Act have been violated. A written record of each complaint including the date, name of the person making the complaint, names of all person(s) involved, investigation of the facts, record of the hearing, and the final decision regarding the complaint will be maintained by FCHA. Each complainant will be furnished a written notice of the decision or action taken.
2. Applicants will be advised of their right to file a complaint with the HUD Fair Housing and Equal Opportunity Office. Information outlining how to file complaints with HUD is posted in the Applications and Assignments office and at all FCHA housing developments

IV. Leasing Policies

A. General Leasing Policy

1. Apartments will be leased without regard to race, color, religion, sex, age¹⁴, sexual orientation, gender identity, national origin, disability and family status. **24 CFR §§ 1.4 and 100**
2. All units must be occupied by families whose sole residence is the apartment. **24 CFR § 966.4(f)**
3. All units must be occupied pursuant to a signed FCHA lease that complies with HUD's regulations **24 CFR § 966.4** or, for multifamily properties, the HUD model lease.
4. FCHA will neither offer nor move a family into an apartment that does not meet basic standards of habitability, including HUD occupancy standards. **24 CFR § 966.4(e)**
5. The lease shall be signed by the head, spouse, and all other adult members of the family and by the authorized representative of FCHA, prior to actual admission **24 CFR § 966.4 (p)**
6. The manager shall provide an explanation of the lease provisions either prior to move-in or at the time of move-in. The explanation must be in a language understood by the Resident or in a manner intelligible to a person with disabilities.
7. Changes in family composition, income or family status between the eligibility interview and leasing will be processed by the Occupancy Division or site staff (see III.d.1 and 2 above). Changes after leasing will be processed by the Manager or other authorized representative of FCHA.
8. Security Deposit:

Public Housing Properties:

- a. The resident shall pay a security deposit at the time of leasing, or, with the permission of FCHA, shall be permitted to pay part of the security deposit at leasing and the remainder over the first six months of tenancy as a charge in addition to the rent.
- b. The security deposit for new families shall be \$150.. FCHA may permit applicants to pay \$50 at move in and the remainder over the next six months.
- c. For all current residents, the amount of security deposit already paid shall not be increased while the resident lives at any FCHA property (including situations in which a family is transferred from one property to another).
- d. If a resident transfers from one property to another, the security deposit should be

¹⁴ Except at those properties that are properly designated for Elderly families without children, only.

applied to the new unit and shall not be increased. If, after conducting a move-out inspection of the previous unit, damages or other charges are owed, FCHA will charge the resident but will not use the security deposit to pay the charges. The disposition of the security deposit will only occur when the resident leaves the program.

Multifamily properties:

FCHA will comply with HUD's security deposit requirements as stated in Handbook 4350.3 as revised from time to time.

9. Pet fees are in addition to the security deposit, in accordance with FCHA's Pet Policy and Procedure. Assistive animals verified to be needed by residents with disabilities are not pets and pet deposits are not required. **24 CFR § 966.4(b)(5)**
10. If a resident is transferred from one FCHA apartment to another, a new lease will be executed for the dwelling into which the family moves. **24 CFR § 966.4 (a)(ii)**
11. If at any time during the life of the lease agreement, a change in the resident's status results in the need for changing or amending any provision of the lease, either: **24 CFR § 966.4(c)**
 - a. A new lease agreement will be executed, or
 - b. A Notice of Rent Adjustment will be executed, or
 - c. An appropriate rider will be prepared and made a part of the existing lease.All copies of such riders or insertions are to be dated and signed by the Resident and by the Executive Director or other authorized representative of FCHA. **24 CFR § 966.4 (o)**
12. At the time of leasing, the new resident will receive a copy of the applicable FCHA Lease and the following attachments:
 - a. Pet Policy;
 - b. Grievance Procedure;
 - c. Lead-based pain pamphlet;
 - d. Parking policy
 - e. Oxygen use policy
 - f. Community Service Policy (public housing only);
 - g. Applicable City Ordinances (if applicable).
 - h. Other lease attachments as stipulated in Part 1 of the Lease.
13. If, at any time, the head of household dies or leaves the unit for any reason (Institutionalization, forming a new household elsewhere), FCHA will permit the remaining members of the family to remain in the unit so long as:
 - a. The remaining family member(s) report the death or departure of the head within ten days of the occurrence;
 - b. There is still at least one member who was listed on the lease for the apartment
 - c. The family includes a person who is an adult capable of executing a lease;
14. Residents are not permitted to allow roomers or boarders to occupy their apartments. Violation of this provision is grounds for lease termination;
15. Residents are not permitted to allow a former resident of FCHA who has been evicted to occupy their unit, even as a visitor. Violation of this provision is grounds for lease termination.
16. Residents must advise FCHA if they will be absent from the apartment for more than 7 days. Residents shall notify the manager, secure the apartment and provide a means for FCHA to contact the resident in an emergency. Failure to advise FCHA of an extended absence is grounds for termination of the lease.

B. Showing Units Prior to Leasing

1. Applicants may have an opportunity to see the unit being offered or a similar sample unit

before they accept the offer and lease the apartment.

2. FCHA will not show nor move a family into a unit that does not meet basic habitability standards, including applicable FCHA occupancy standards.

C. Additions to and Deletions from the Resident Family and Household

1. Only persons listed on the most recent certification form and lease, or added in accordance with law or this policy, shall be permitted to occupy a dwelling unit **24 CFR § 966.4(a)(v)**.
2. Children will be added to families if they are born to or adopted by a family member or a Court awards custody to an adult family member listed on the lease.
3. Generally FCHA will approve the addition of an adult family or household member only when that individual passes screening and does not overcrowd the family in the unit they currently occupy.
4. Residents who permit unauthorized individuals to occupy their units are subject to lease termination and eviction.

D. Visitors

1. Overnight visitors are permitted in a dwelling unit in accordance with FCHA's *Procedure on Visitors* so long as they have no previous history of behavior on FCHA premises that would be a lease violation.
2. Residents must register all their overnight visitors with the property manager. The registration form permits FCHA to run a criminal history check on adult visitors who stay overnight, however FCHA will not run a criminal history check on a visitor unless FCHA has reason to believe the visitor actually lives in the FCHA unit or if FCHA receives complaints about the visitor's behavior from other residents or law enforcement personnel.
3. In FCHA properties a guest may visit overnight for a total of 14 days/nights in any twelve-month period. Any visit longer than 14 days requires the written permission of FCHA.

V. Transfer Policy

A. General Transfer Policy

1. Transfers are made within and between properties without regard to race, color, sexual orientation, gender identity, national origin, sex, religion, or familial status. Residents can be transferred to accommodate a disability. Transfers will be made in accordance with FCHA's *Transfer Procedure*. **24 CFR § 100.5**
2. Residents will not be transferred to a dwelling unit of equal size except to alleviate hardship of the resident or other undesirable conditions as determined by the PHA or designee or as an incentive to high performing residents.
3. Residents will receive one offer of a transfer. Refusal of that offer without good cause will result in lease termination for mandatory transfers or the removal of the household from the transfer list for voluntary transfers. **24 CFR § 1.4(2)(ii)**
4. There is no notice requirement for emergency transfers. All other categories of transfers will be given the appropriate amount of notice required by the laws of the Commonwealth of Pennsylvania.
5. When possible, FCHA will allow a resident in good standing to choose the property to which to transfer for rehabilitation or redevelopment units so long as there are units of the right size and right type for the resident being transferred. Residents who are subject to mandatory transfers do not have the right to wait until a suitable unit is available at the property they prefer, rather each resident will receive a choice of the units available that are the right size and type.
6. Residents cannot be transferred across housing programs. This includes transfers from public housing (including ACC units in tax credit properties) to multifamily housing properties or LIHTC market rate housing, but residents can be transferred within such properties.

B. Types of Transfers

1. The order in which families are transferred shall be hierarchic by category set forth below.

- a. Emergency Transfers are mandatory and are made when FCHA determines that a unit or building conditions pose an immediate threat to resident life, health or safety or to resolve problems of a life-threatening nature that are not related to building or unit conditions¹⁵. **24 CFR § 966.4(h)**
 - 1) FCHA is not required to give prior notice of an Emergency Transfer;
 - 2) Emergency conditions that occur due to resident abuse or neglect will be grounds for emergency transfers, however resident will be charged for the damages caused to the apartment¹⁶. **24 CFR § 966.4(h)**
 - 3) Refusal to accept an emergency transfer is grounds for lease termination and eviction.
- b. Administrative Transfers: These transfers shall take priority over new admissions.
 - 1) Priority 1: Mandatory administrative transfers to permit FCHA to renovate, modernize, revitalize, demolish or dispose of a public housing property;
 - 2) Priority 2: Voluntary administrative transfers to move residents with disabilities to accessible units or units with features that accommodate their disabilities better than those in their current apartments.

This category also includes mandatory transfers of tenants without disabilities from accessible units when no one in their family needs the accessibility features, to regular units so that a family that needs the accessibility features can occupy the accessible unit. **24 CFR § 8.27(1)**

This transfer priority also covers transfers of individuals from independent living apartments to a property with enriched supportive services when such services are needed to preserve the tenancy of the individual with disabilities.
 - 3) Priority 4: Mandatory transfers to move families out of units that are too large or too small for the families. Families in units that are too large shall be transferred before families in units that are too small. **24 CFR § 966.4(c)**
2. Whenever feasible, transfers will be made within a resident's area or other location of the resident's choice, but residents do not have the right to delay a transfer because a unit in the location they prefer is not available at the time they are required to transfer.

C. Priorities for Transfers

1. As described in the Tenant Selection and Assignment Chapter of this policy, transfers will be sorted into their appropriate categories by the Intake and Placement staff. Offers of apartments will be made in the following order:
 - a. Emergency transfers;
 - b. Administrative transfers in the following category order:
 - 1) Priority 1: FCHA-initiated transfers to permit construction or revitalization
 - 2) Priority 2: Reasonable accommodations for residents with disabilities
 - 3) Priority 3: New Admissions from the waiting list;
 - 4) Priority 4: Over-housing and Overcrowding

D. Residents in Good Standing

1. In general, and in all cases of all resident-requested transfers, residents will be considered for transfers only if the head of household and other family members and guests under the resident's control:
 - a. Are current on rent without unpaid balance at any time in the past 12 months;

¹⁵ VAWA transfers are emergency transfers. VAWA transfers are not mandatory but FCHA will be held harmless when a VAWA victim rejects a VAWA transfer.

¹⁶ Resident may challenge any charges for damages by using the FCHA Grievance Procedure

- b. Are current on utility payments to FCHA or to utility supplier or are current with any repayment agreement with the utility supplier;
 - c. Are in compliance with the terms of the lease and any additional terms required to be added to that lease by Federal law. Violations of the lease must be documented by notices of lease violations or other evidence of serious or repeated violations of the material terms of the lease;
 - d. Meet reasonable housekeeping standards and have no housekeeping lease violations as documented by housekeeping inspection reports or work orders reflecting a pattern of damage caused by poor housekeeping; and
 - e. Have not destroyed, defaced, damaged or removed any part of an apartment or the development as documented by housekeeping inspection reports or work orders reflecting a pattern of damage or abuse.
 - f. For all resident incentive transfers, a one-year perfect record of timely payment (rent and other charges), good housekeeping record and no lease violations is required.
2. Exceptions to the good record requirements may be made for emergency transfers or when it is to FCHA's advantage¹⁷ to make the transfer. The exception to the good record requirement will be made by the central transfer administrator taking into account the recommendation by the Manager.
 3. Absent a determination of exception, the following policy applies to transfers:
 - a. If back rent is owed, the resident will not be transferred until a payment plan is established or, if prior payment plans have failed, back rent is paid in full.
 - b. A resident with housekeeping standards violations will not be transferred until he/she passes a follow-up housekeeping inspection.

E. Cost of Transfers

1. FCHA will pay the cost of transfers it initiates and reasonable accommodation transfers but not those due to changes in family size (overcrowding and over housing), or change in income tier;
2. Transfers in connection with modernization or revitalization will include moving expenses including the cost of disconnecting and reconnecting utilities.

F. Transfers at Section 8 project-based and Low Income Housing Tax Credit Properties

Not all the properties FCHA owns and manages are public housing properties. Some are multifamily Section 8 new construction developments and others are LIHTC properties. Because FCHA operates properties under multiple programs, public housing tenants may not be able to transfer to or from these properties. They must, instead, be processed as applicants.

Current tenants of Section 8 project based developments or tax credit properties may be transferred within the properties but not to other developments. These transfers will be handled by FCHA's Occupancy Department.

VI. Annual Reexaminations of Income and Family Circumstances

A. Eligibility for Continued Occupancy

Residents who meet the following criteria will be eligible for continued occupancy:

1. Qualify as a family as defined in Section XIII of this policy.¹⁸
2. Are in full compliance with the resident obligations and responsibilities as described in the dwelling lease as documented by a lack of lease violation notices in their files. **24 CFR § 966.4(f)**
3. **Who do not own Net Family Assets (as defined herein) worth more than \$100,000**

¹⁷ e.g. a single person is living alone in a three bedroom unit and does not want to move

¹⁸ For purpose of continued occupancy, remaining family members qualify as a family so long as at least one of them is of legal age to execute a lease.

4. **Who do not own a home that they could live in (as defined herein)**
5. Whose family members each have verified Social Security numbers. 24 CFR § 5.216
6. Who meet HUD standards on citizenship or immigration status or are paying a pro-rated rent
7. Who are in compliance with the FCHA's Community service requirements, if applicable.¹⁹

8. This PHA will give current public housing tenants and current HCV voucher holders six months to get their Net Family Assets below the \$100,000 and/or to sell a home that they could live in. Remaining Family Members and Prior Debt

1. If the head of household dies or leaves the unit, continued occupancy by remaining family members is permitted only if:
 - a. The family reports the departure (or death) of the head of household within 10 days of the occurrence; and
 - b. The family includes a member who can pass screening and is of legal age to execute a lease; and
 - c. The new head signs a new lease within 10 calendar days of the departure/death of the former head.
2. Remaining family members age 18 years or older will be held responsible for debts incurred by the former head or spouse.
3. FCHA will not hold remaining family members (other than the head or spouse) responsible for any portion of the debt incurred before the remaining member attained age 18.

C. Reexaminations

1. Regular reexaminations: FCHA shall, at least once every 12 months, re-examine the family composition and incomes of all resident families, except that public housing families paying Flat Rent shall have their incomes reexamined only every three years. FCHA may take a streamlined approach to the verification of income for families with fixed incomes, using COLA percentages and interest rates rather than independent verification every third year. **24 CFR § 960.257**
2. Special Reexaminations: When it is not possible to estimate family income accurately, a temporary determination will be made with respect to income and a special reexamination will be scheduled every 120 days until a reasonably accurate estimate of income can be made. **24 CFR § 5.609(d)**
3. A special reexamination shall be conducted when there is a change in the head of household that requires a remaining family member to take on the responsibilities of a leaseholder. **24 CFR § 960.257**
4. Zero Income Families: Unless the family has income that is excluded for rent computation (e.g. the family receives state funding for the care of foster children), families reporting zero income will have their circumstances examined every 90 days until they have a stable income. As required by Federal regulations, monetary or non-monetary contributions from persons not residing in the dwelling unit for any purpose other than the payment or reimbursement of medical expenses shall be considered income. **24 CFR § 5.609**
5. If FCHA is terminating the lease of a resident when the resident is scheduled for reexamination, the reexamination will be completed but a new lease will not be executed:
 - a. If FCHA prevails in the lease termination action, a new lease will not be executed, and the resident will be evicted;
 - b. If the resident prevails in the lease termination action, a new lease will be executed.
6. Action Following Reexamination: If there is any change in rent, a Notice of Rent Adjustment will be issued. **24 CFR § 966.4(a)(3)**
 - a. If any change in the apartment size is required, the resident will be placed on a transfer

¹⁹ applicable to certain adults who are not exempted because they are elderly, disabled and unable to work, working, or participating in qualifying educational or job training programs

list in accordance with the transfer criteria described above in this policy and moved to an appropriate apartment when one becomes available. **24 CFR § 966.4(c)(3)**

- b. The Notice of rent adjustment will include the current rent, the new rent, the date when the new rent takes effect, the reason for the rent adjustment, and the fact that the resident has the right to request a Grievance hearing if he/she disagrees with or does not understand the new rent.

7. Effective Date of Adjustments

- a. Residents will be notified in writing of any rent adjustment including the effective date of the adjustment.
- b. Rent decreases go into effect the first of the month following the report of a change. Income decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.
- c. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first day of the following month.
- d. Rent increases due to misrepresentation are retroactive to the first of the month following the event that was misrepresented or not reported.

D. Over-Income Public Housing Tenants

If a Tenant's projected income at the time of annual reexamination or interim adjustment exceeds the over income limit for continued occupancy (120 percent of Area Median Income, adjusted for family size) the FCHA will inform the Tenant that if their income continues to exceed this income limit at their annual reexamination for two more consecutive years the Tenant must find new housing and move out of their public housing unit within six months of the end of the 24 month "grace period".

When FCHA first becomes aware of the tenant's over-income status they will inform the tenant of their policy and schedule another reexamination of their income twelve months from the date the tenant was first over-income.

At the twelve month reexamination FCHA will, once again explain their policy requiring all tenants who are over-income for 24 consecutive months to move out of public housing.

Finally, FCHA will perform another income reexamination 24 months after the initial determination. If at this point the family income still exceeds the over-income limit the family will be given notice that they have six months to find alternative housing and move out of public housing or face eviction.

FCHA will also inform all over-income tenants, both at the initial determination and at the 12 month reexam that if their income should decrease below the over-income limit during the 24 months "grace period" that they will be permitted to remain as public housing tenants.

If an over-income tenant's income decreases below the over-income limit and subsequently increases over the limit, the tenant is once again entitled to the full 24 month grace period.

VII. Interim Rent Adjustments: Modified Fixed Rent System

A. Adjusting Rent between Regular Reexaminations

1. **Residents are required to report all changes in family income, composition or status to the PHA within 10 calendar days of the occurrence. Failure to report is a lease violation and may result in lease termination, even if reporting would not result in a change in rent. Further, failure to report within the 10 calendar days may result in a retroactive rent increase, but not a retroactive credit or rent reduction. In order to qualify for rent reductions, residents must report income decreases promptly. Residents are also required to report interim increases in income if they have been granted interim rent reductions or have previously reported zero income.**
2. **Under the HOTMA regulation, PHAs are not required to perform interim rent**

adjustments if they believe that the difference in a family's annual income (either an increase or a decrease) will amount to a difference of less than 10 percent.

3. In addition, PHAs may decline to do interim adjustments in the last 3 months before a family's annual or biennial reexamination. If failing to perform an interim adjustment will make it impossible for a family to pay rent, the PHA may conduct the interim adjustment in the last 3 months before the reexamination.
4. PHA wishes to encourage families to improve their economic circumstances, so some changes in family income between reexaminations will not result in a rent change. PHA will process interim changes in rent in accordance with the chart below:

(a) Decrease in income for any reason, <u>except</u> for decrease that lasts less than 30 days, is subject to Imputed Welfare Income rules, or will decrease annual income by less than 10 percent.	Process interim rent reduction if income decrease will last more than 30 days, is not subject to Imputed Income rules or is more than 10 percent of annual income. 24 CFR § 5.609
(b) Increase in verified family deductions	Process interim rent reduction if income decrease will last more than 30 days and reduces adjusted income by more than 10 percent. 24 CFR § 5.609
(c) Increase in income following PHA granting interim rent decrease.	Process all interim rent increases for income increases after interim rent
(d) Increase in earned income from the employment of a current household member.	Defer rent increase until next regular reexam unless the family has had an interim rent reduction in the reexam period. 24 CFR§
(e) Increase in unearned income (e.g., COLA adjustment for social security).	Defer rent increase to the next regular reexam unless the increase is more than 10 percent of annual income.
INCOME CHANGE	PHA ACTION
(f) Increase in income because a person with income (from any source) joins the household.	Conduct an Interim Redetermination of the family's income and raise the rent.
(g) Increase in income because Tenant misrepresented income or deductions.	Conduct an Interim Redetermination of the family's income and raise the rent retroactively to the date of the misrepresentation or terminate the lease.
(h) Increase in monetary or non-monetary income after Resident claims	Process an interim rent increase.

3. FCHA will process an interim increase in rent only if
 - a. the resident has misrepresented or failed to report facts upon which rent is based, so the rent the Resident is paying is less than it should have²⁰; or
 - b. the resident's income increases after the resident was granted an interim decrease in

²⁰ FCHA will apply any increase in rent retroactive to the month following the month in which the misrepresentation occurred.

rent; or

- c. the resident reported zero income and has a verified increase in income (that may be a non-monetary contribution); or
 - d. a person with income joins the household;
4. Complete verification of the circumstances applicable to rent adjustments must be documented and approved by the FCHA. **24 CFR § 960.259(c)**
 5. FCHA will process interim decreases in rent as follows:
 - a. When a decrease in income is reported, and FCHA verifies that the decrease will last less than 30 days, an interim adjustment will not be processed.
 - b. Residents reporting decreases in income that are expected to last more than 30 days will have an interim adjustment processed.
 6. Residents granted a reduction in rent are required to report for special reexaminations at intervals determined by the Housing Manager. Reporting is required until income increases or it is time for the next regularly scheduled reexamination, whichever occurs first.
 7. If residents experience a decrease in income from public assistance because their grant is cut for one of the two following reasons, their rent will not be reduced:
 - a. Welfare department has reduced the grant because of welfare fraud; or
 - b. Welfare department has reduced the grant because the family failed to comply with economic self-sufficiency requirements.
 8. If a resident challenges the welfare department's reduction of their grant, an interim reduction in rent will not be processed until the matter is settled by the welfare department.
 9. If the welfare department upholds the grant reduction, the resident shall owe a retroactive rent on the interim rent reduction granted in "8" above.
 10. If the welfare department overturns the grant reduction, no retroactive balance is owed. See *FCHA Procedure on Imputed Welfare Income*

B. Interim Changes in Family Composition

1. All changes in family composition must be reported within ten days of occurrence. Certain types of changes do not require FCHA advance approval but they must be reported within ten days if occurrence, including:
 - a. Someone listed on the lease leaving the unit;
 - b. Birth, adoption or court-awarded custody of a child;
2. Additions of the following persons must be requested in writing and require written permission from FCHA **before** the persons may move into the apartment:
 - a. Adult family member (including a new spouse);
 - b. Foster child or children;
 - c. Foster adult;
 - d. Live-in Aide;
 - e. Child in kinship care.
3. All adults who are proposed for addition to a family or household must be screened by the occupancy division and, with the exception of Live-in Aides, must not overcrowd the unit.
4. When the change in family size would require the family to transfer to a smaller or larger unit, the family will be placed on the transfer list as soon as the change in family circumstances is verified. Transfers will be processed in accordance with this policy.

C. Effective Date of Rent Adjustments

Residents will be notified in writing of any rent adjustment including the effective date of the adjustment.

1. Rent decreases go into effect the first of the month following the report of a change. Income

decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.

2. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first of the second month after the circumstances leading to the increase.

D. Earned Income Disallowances: Public Housing Properties/ACC Residents ONLY

1. **Earned Income Disallowances are only in effect until 12/31/23. After this date no new Tenants will qualify for an earned income disallowance because the benefit will not exist after this date except for people who qualified before 12/31/23.**
2. If a resident goes to work or has new or additional earned income and qualifies under one of the following three criteria, that individual will receive an Earned Income Disallowance (EID) as described below. To qualify, a public housing Resident:
 - a. Goes to work after having been unemployed for at least twelve months, or goes to work after having earned less in the last 12 months than would be earned working ten hours per week for a fifty-week year earning minimum wage; or
 - b. Receives new or increased earned income during participation in an education, job training, or other economic self-sufficiency activity; or
 - c. Receives new or increased earned income within six months of having received a cash benefit or in-kind services funded through the program of Temporary Assistance to Needy Families. If an in-kind benefit (child care, clothing or transportation subsidies, for example) was received it must be worth at least \$500 in the past six months.
3. During the first 12 months after the date when the resident qualified for the EID, the resident's rent will not be increased because of the new earned income. Rent during this period will be based on the resident's income before qualifying for the EID plus any increases in unearned income that may occur after qualifying for the EID.
4. During the second 12 months after the date the resident qualified for the EID, the resident's rent will be increased by an amount based on fifty percent of the resident's incremental earned income.
5. The disallowance periods described in number 3 and 4 above only occur while the resident is employed. If the resident stops working, the disallowance stops and resumes again when the resident goes back to work. During the period when the resident is not employed, rent will be based on the resident's actual income.
6. Even if the full 24 months of disallowance (12 months of full disallowance plus 12 months of 50% disallowance) have not been used, the EID will terminate 24 months from the date when the resident first qualified for the EID.
7. An EID is awarded to a person, not an entire family. More than one adult family member can receive an EID at the same time if they qualify as described under number 1 above.
8. No one receives more than one EID in a lifetime.
9. Residents may qualify for a retroactive EID if **all** the following are true:
 - a. The residents qualified for an EID after 10/1/99; and
 - b. The resident reported the increased income; and
 - c. FCHA increased the resident's rent; and
 - d. The resident paid the increased rent.
10. Before the amount potentially owed to a resident for a retroactive rent credit is determined, any amounts owed to FCHA by the resident shall be deducted.
11. If a resident qualifies for a retroactive EID as described in "8" above, he/she shall be entitled to the choice of a payment of the retroactive amount due as calculated above, or a prospective rent credit.

VIII. Lease Termination Policies

A. General Policy: Lease Termination

Either FCHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms **24 CFR § 966.4(l)**

B. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to FCHA or property manager.

C. FCHA-initiated Lease Terminations

1. FCHA shall terminate the lease only for serious or repeated violations of the material provisions of the lease or other good cause. **24 CFR § 966.4(l)**
2. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations, in English or Spanish, or, in the case of a resident with disability, in the format requested by the resident **24 CFR § 966.4(l)**
3. In accordance with the lease and grievance procedure, FCHA shall notify Resident in the lease termination notice of Resident's grievance rights if the lease termination is subject to the Grievance Procedure.
4. FCHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence or stalking (see Definitions in Section XIII) and will offer a resident in this situation an opportunity to certify to such facts.

The Violence Against Women Act protects individuals who are the victims of such crimes and misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on HUD form 50066) or provide other documentation of their status.

5. If a non-exempt member of a resident family fails to comply with the 8 hour per month Community Service requirement, the entire family may be subject to lease termination. In such cases the resident and the Authority may enter into a contract to make up the delinquent service hours within the 12 months following the period for which hours are delinquent. If, at the end of the second year, the individual fails to perform both the current and delinquent hours agreed to, the Authority will terminate tenancy.
6. The community service requirement does not apply to properties that are project-based Section 8 or low income housing tax credit units that do not receive HUD public housing operating subsidy.

D. Notification Requirements

1. The Authority's written Notice of Lease Termination will state the reason for the proposed termination, the section of the lease violated, the details of the reason for termination, the date the termination will take place and will indicate the tenant's rights under state law and this policy.
2. The Notice of Termination may run concurrent with any Notice to Vacate or other notification required by Pennsylvania law.
3. Notices of lease termination may be personally served on a member of the tenant household who is at least 18 years old, may be taped to the inside of the front door of the unit, or may be mailed by first class mail.
4. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 14 days prior to termination for failure to pay rent;
 - b. 3 days prior to termination, consistent with the exigencies of the situation in cases of violent or drug-related criminal activity that threatens other residents, staff, or neighbors of the property;
 - c. At least 30 days prior to termination in all other cases.

E. Eviction Actions

1. FCHA may evict a resident only by bringing a Court action.
2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.
3. If FCHA files an eviction action against a resident, the resident will be liable for Court costs, including attorney's fees, unless the resident prevails in the action;
4. FCHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease. The resident must prove this defense by the preponderance of the evidence.
5. In deciding whether or not to evict for criminal activity FCHA may consider all the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.
6. In appropriate cases of criminal activity by a family member other than the head or spouse, FCHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit or the property.
7. FCHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
8. FCHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on lease probation for an appropriate period of time.
9. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.
10. When a member of a tenant family commits domestic violence against another member of the tenant family the FCHA may bifurcate the lease and evict only the person committing the violence, permitting the remainder of the family to stay in the unit in accordance with the Violence Against Women Act.

F. Record keeping Requirements

1. A written record of every termination and/or eviction shall be maintained by FCHA, and shall contain the following information:
 - a. Name of resident, resident's race and ethnicity, number and identification of apartment occupied;
 - b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
 - c. For lease terminations for criminal activity, a note in the file with the date, case number and source of information relating to the Notice of Arrest or Notice of the Incident;
 - d. For "cause" lease terminations, copies of any occurrence reports, lease violation notices, or other appropriate documentation of the underlying facts surrounding the incident that is the subject of the eviction;
 - e. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
 - f. Date and method of notifying resident; and
 - g. Summaries of any conferences held with resident including dates, names of conference participants and conclusions;
 - h. Copy of the served Termination Notice;
 - i. Copy of any agreed settlement orders;

- j. Copy of any post-judgment agreements.

Section 8 Project-based Properties, Multifamily Properties, Low Income Housing Tax Credit Units not receiving HUD Operating Subsidy

A. General Policy: Lease Termination

Either FCHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms.

B. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to FCHA or property manager in accordance with *FCHA Procedure on Lease Terminations*.

C. FCHA-initiated Lease Terminations

FCHA or its manager shall terminate the lease only for

1. substantial lease violations or
2. repeated violations of the lease that disrupt the livability of the project, adversely affect the health, safety or right to peaceful enjoyment of the leased premises of any tenant, interfere with the management of the project, or have an adverse financial effect upon the project, or
3. failure to carry out obligations under the State of Pennsylvania Property Code or
4. other good cause (only at the expiration of the lease term).
5. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations in English, or Spanish, or, in the case of a resident with disability, in the format requested by the resident
6. Although under HUD regulations, project-based Section 8 and Low Income Housing Tax Credit units that do not receive HUD operating subsidy are not subject to the public housing Grievance Procedure, FCHA has chosen to make this forum available in all the properties it manages. Consequently, in accordance with the grievance procedure rules, FCHA shall notify Resident in the lease termination notice of Resident's grievance rights if the lease termination is subject to the Grievance Procedure.
7. FCHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence or stalking (see Definitions in Section XIII) and will offer a resident in this situation an opportunity to certify to such facts. The Violence Against Women Act protects individuals who are the victims of such crimes and misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on the applicable HUD form) or provide other documentation of their status.

D. Notification Requirements

The Authority's written Notice of Lease Termination will state

1. The date the lease will be terminated
2. The grounds for termination with enough detail for the tenant to prepare a defense. If the grounds are non-payment of rent, the notice must state the amount of balance due and the date of that computation;
3. That if the tenant remains in the unit beyond the date specified for termination that the Authority may enforce the termination only by bringing judicial action, at which time the tenant may present a defense;
4. That the tenant has 10 calendar days within which to discuss the proposed termination of tenancy with the manager. The 10 calendar days will start on the earlier of the date the notice was hand delivered or the day after the date the notice was mailed
5. Failure of the tenant to object to the termination notice does not constitute a waiver of the tenant's right to contest the Authority's actions in any court proceeding;
6. Termination notices for "other good cause" must provide that the proposed termination will

be effective at the later of the end of the lease term or 30 days from the date of the notice.

7. The Notice to Vacate may run concurrent with any notice required by State law.
8. Notices of lease termination may be personally served on a member of the tenant household who is at least 15 years old, taped to the inside of the unit's front door, or may be mailed by first class mail.
9. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 10 days prior to termination for failure to pay rent;
 - b. 10 days prior to termination, consistent with the exigencies of the situation in cases of violent or drug related criminal activity;
 - c. At least 30 days prior to termination in all other cases.

E. Eviction Actions

1. FCHA may evict a resident only by bringing a Court action.
2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.
3. If FCHA files an eviction action against a resident, the resident will be liable for Court costs, excluding attorney's fees, unless the resident prevails in the action;
4. FCHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease.
5. The resident may raise as a defense that the resident did not know nor should have known about the action that violated the lease.
6. The resident must prove this defense by the preponderance of the evidence.
7. In deciding whether or not to evict for criminal activity FCHA may consider all the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.
8. In appropriate cases, FCHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit.
9. FCHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
10. FCHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on probation for an appropriate period of time.
11. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.

F. Record Keeping Requirements

A written record of every termination and/or eviction shall be maintained by FCHA, and shall contain the following information:

- a. Name of resident, race and ethnicity, number and identification of apartment occupied;
- b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
- c. For lease terminations for criminal activity, a note in the file with the date, case number and source of information relating to the Notice of Arrest or Notice of the Incident
- d. For "cause" lease terminations, copies of any occurrence reports, lease violation notices, or other appropriate documentation of the underlying facts surrounding the incident that is the subject of the eviction;

- e. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
- f. Date and method of notifying resident; and
- g. Summaries of any conferences held with resident including dates, names of conference participants and conclusions;
- h. Copy of the served Termination Notice;

IX. Utilities

A. Resident-Paid Utilities 24 CFR § 965 & 966.4(b)(2)

The following requirements apply **only** to residents living in developments with resident-paid utilities:

1. In properties with Resident-paid utilities FCHA is required to review the utility allowances at least every 12 months. If utility rates change by at least 10 percent (up or down), FCHA must revise the utility allowances. FCHA will also revise the utility allowance consumption figures if it makes modernization improvements that will result in significantly improved energy efficiency as determined by an engineering firm.
2. In units with Resident-paid utilities, paying the utility bill in a timely manner is an obligation under the lease and failure to pay in a timely manner is a serious violation of the lease, subject to lease termination. **24 CFR § 960.253(c)(3) and 966.4(b)**
3. If a resident or applicant is unable to get utilities connected in his/her own name because of bad credit or a previous balance owed to the utility company at a prior address, the resident or applicant will not be permitted to move into a unit with resident-paid utilities. Depending upon the size and type of unit an applicant needs, the inability of an applicant to get utilities connected may cause the application to be rejected. **24 CFR § 960.203**
4. When a resident makes application for utility service in his/her own name, he or she is required to sign a third-party notification agreement so that FCHA will be notified if the resident fails to pay the utility bill.
5. Each resident will receive a monthly Utility Allowance that reflects a reasonable amount of utilities for the specific size and type of apartment occupied. **24 CFR § 5.609**
6. Residents who pay their utility bills directly and are paying an income-based rent have the amount of rent owed to FCHA reduced by the amount of the Utility Allowance. In other words, the resident's Total Tenant Payment, less the Utility Allowance equals the Tenant Rent owed to FCHA.
7. When a resident's Total Tenant Payment is less than the utility allowance, FCHA will pay a utility reimbursement, equal to the difference between one month's total tenant payment and the utility allowance to the utility supplier. **24 CFR § 5.632.**
8. Residents on whose behalf Utility Reimbursements are paid to the utility company are required to pay the utility supplier for any use in excess of that covered by the Utility Allowance;
9. If the resident's actual utility bill is less than the Utility Allowance, the resident receives the saving.
10. Residents who have elected to pay a Flat Rent do not receive a utility allowance. The value of the utilities paid by the resident have already been deducted from the Flat Rent.

B. Excess Utility Charges

1. In properties where utilities are not individually metered and there are no check meters (all-bills-paid properties), FCHA may make excess utility charges for the use of certain resident-supplied appliances in excess of those supplied by FCHA. Examples include:

- a. Second refrigerator;
 - b. Freezer
 - c. Tenant-supplied air conditioner
 - d. Unreported water leak
 - e. Use of extension cord to provide power beyond the unit.
 - f. Use of FCHA water for a car wash business or kiddie pool
 - g. Any other excessive use of FCHA-supplied utilities²¹
2. In all properties where water use is not individually metered, FCHA will monitor water use and charge tenants who use inordinate amounts of water.²²

C. Reasonable Accommodations **24 CFR § 8.4 and 966.7**

1. Residents with disabilities may be entitled to higher than normal utility allowances or may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability.

X. Flat Rents (Public Housing only)

A. Flat Rents

1. Flat rents shall be determined in accordance with HUD regulations.
2. Flat rents vary by apartment size and type and also by development location.
3. Flat rents payers do not receive a utility allowance. An apartment with resident-paid utilities will have a lower flat rent than the same apartment with project-paid utilities.

B. Annual Update of Flat Rents

1. FCHA shall review the Flat Rent structure annually and adjust the rents as needed.
2. Flat rents may either be increased or decreased based on 80% of HUD's published Fair Market Rents.
3. When a resident chooses Flat rent, his/her rent shall be adjusted only at the next annual reexamination rather than when FCHA may revise the Flat rents.

C. Choice of Rent

1. Once each year, beginning with admission and continuing at each annual reexamination, each family is offered a choice between paying the income-based rent and the Flat rent applicable to the unit they will be occupying.
2. Because of the way the Federal law is written, choice of Flat rent may only be offered at admission and annual reexamination.

D. Recertification of Families on Flat Rents

Families paying flat rents are required to recertify income only every three years, rather than annually, although they are still required to participate in an Annual Reexamination in order to ensure that apartment size is still appropriate and Community Service requirements (if applicable) are met. **24 CFR § 960.257 (a)(2)**

E. Hardship Reduction in Flat Rents

1. If a resident who opted for Flat Rent experiences a decrease in income, Management will perform an Interim Reexamination of Income.
2. If the reduction in income will last more than 30 days, Management will reduce rent to the income-based rent based on verified income information. **24 CFR § 960.253 (f)**

²¹ Beyond the normal usage by other residents at that property.

²² For example because a tenant is running a car washing business using FCHA water.

If the Resident's income rises again before the annual reexamination, the resident must pay the income-based rent until the next annual reexamination.

47. Individual with Disabilities, Section 504 definition **24 CFR § 8.3**

Section 504 definitions of Individual with Handicaps and Qualified Individual with disabilities are not the definitions used to determine program eligibility. Instead, use the definition of “Person with Disabilities” as defined later in this section. Note: the Section 504, Fair Housing, and Americans with Disabilities Act (ADA) definitions are similar. ADA uses the term “individual with a disability”. Individual with disabilities means any person who has:

 - has a record of such an impairment; or
 - is regarded as having such an impairment.
- b. For purposes of housing programs, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.
- c. Definitional elements:

“physical or mental impairment” means any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems:

Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

“Has a record of such an impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” means has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation; or

Has a physical or mental impairment that substantially limits one or more major life activities only as result of the attitudes of others toward such impairment; or

Has none of the impairments defined in this section but is treated by a recipient as having such an impairment.

- d. The 504 definition of disability does not include homosexuality, bisexuality, or transvestitism because these are not disabilities. These characteristics do not disqualify an otherwise disabled applicant/resident from being covered. The 504 definition of individual with disabilities is a civil rights definition. To be considered for admission to public housing designated for people with disabilities or to receive a disability-related income deduction a person must meet the program definition of “Person with Disabilities” found in this section.

50. Kinship care - an arrangement in which a relative or non-relative becomes the primary caregiver for a child or children but is not the biological parent of the child or children. The primary caregiver need not have legal custody of such child or children to be a kinship caregiver under this definition. This is usually accomplished through school or medical records.

51. Live-in Aide - A person who resides with an elderly person(s), near elderly person(s) or person(s) with disabilities and who: (a) is determined by FCHA to be essential to the care and well-being of the person(s); (b) is not obligated to support the family member; and (c) would not be living in the apartment except to provide the necessary supportive services
24 CFR 5.403

52. Local Preferences - There are two local preferences in effect. #1 Preference: Residents of Fayette County: Otherwise eligible families and individuals who, at the time of application either live in Fayette County, have an adult member who works in Fayette County, or have an adult member who can verify that he/she has been hired to work in Fayette County.

In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives consideration not measurable in dollar terms. Negative equity in real property or other investments does not prohibit an owner from selling the property or other investments, so negative equity alone would not justify excluding the property or other investments from family assets.**
- 6. Excluded from the calculation of net family assets are:**
- 7. The value of necessary items of personal property**
- 8. The combined value of all non-necessary items of personal property if the combined total value does not exceed \$50,000 (which will be adjusted by HUD in accordance with the Consumer Price Index)**

XIV. PUBLIC HOUSING COMMUNITY SERVICE POLICY

A. Background

1. As all staff of FCHA know, the Community Service requirement is only applicable to residents of public housing properties or residents living in ACC subsidized units at mixed finance properties. No one living in a multifamily property or a project based voucher property or using a tenant based voucher in a market rate unit at a mixed finance property is subject to the Community Service requirement.
2. FCHA is working to enable its residents to become fully economically independent. In support of this goal and HUD requirements, FCHA requires that all non-exempt members of resident families meet monthly targets for neighborhood service or economic self-sufficiency, as monitored monthly.
3. The Community Service requirement is 8 hours per month for each non-exempt adult (not for each family with a non-exempt adult).
4. Compliance with Community Service activities is monitored by monthly contact between the non-exempt resident and the Resident Service Coordinator. FCHA opts not to accept tenant certifications of compliance with the Community Service requirement. It will continue to verify compliance.
