Thank you for your interest in Campbell Estates.

**Our office hours are open to the public on Tuesday and Thursday from 8:00AM – 2:00PM.** If you have already put your name on the online interest list on the Fayette County Housing Authority website- periodically we will be calling or mailing a letter to 40 prospective tenants at a time so that an application can be picked up at the office. To ensure all interested applicants keep their place on the interest list, we will not be issuing applications at the office until all applications on the interest list have been mailed.
